Bondale, Rambhau.Unpublished. Collection of Speeches of Balasaheb Deoras. Collected over a period from 1977 to 1990. Dr Hedgewar Bhavan, Nagpur.

Lost Years of the RSS is a historical analysis of the events that have shaped the Rashtriya Swayamsevak Sangh (RSS) in its 85 years of existence. Written from an insider's perspective, this in-depth work critically analyses the major turning points in the history of RSS from the viewpoint of both a follower and an opponent, while digging deep into its socio-political history. Beginning with the political ethnography of the RSS, the book charts the organisation's growth over time-from the Partition, the first ban, the Golwalkar and Deoras periods, the demolition of Babri Masjid, to the present, when the original principles of the Sangh have been forgotten, leading to the current decadence within the organisation. The author concludes with suggestions for a way forward for the RSS, wherein the lessons learnt from the past can be put to use and the original values can be reinstated. At the heart of the book is the author's implicit desire to contradict the current media representations of the Sangh and portray the RSS as what it was actually meant to be.

The numerous problems of Jammu & Kashmir which remain unsolved include incomplete accession of the state, the Article 370, the unresolved issue of citizenship of lakhs of people who migrated from Pakistan, the rehabilitation of lakhs of innocent people who were forced to leave their home and hearth in the border areas during the wars between India and Pakistan, denial of legitimate rights to the people of Jammu and Ladakh, the back-breaking poverty of Ladakhis, spate of terrorism, the issue of rehabilitation of lakhs of Kashmiri Pandits displaced from their homes and innumerable other social problems faced by the people all these years. Worse still, the Tricolor, symbol of our National Honour, which is hoisted every year throughout the country with great enthusiasm is set on fire at the Lal Chowk in Srinagar by the subversive elements to show humiliation and dishonour to the Indian nation. In view of the above facts, this book ‘A State in Turbulence—Jammu & Kashmir’ has been written to reveal some significant aspects of the problems and factors which are relevant in the overall context, such as the glorious past of Kashmir, role played by patriotic and great nationalists, causes of the present chaos, some historical facts suppressed so far, and above all proposed constitutional provisions essential for the future of Jammu & Kashmir.

The Volume Deals With The Organization, The Ideology And The Role Of Rss In The Cultural Reguvination Of Hindu Society In India. It Talks About The Founder And His Successors In Building Up The Organization. Has 28 Chapters Dealing With Various Factors And The Contributions Of The Rss.

It was a court battle between the first Prime Minister of India Jawahar Lal Nehru and Organiser, an English weekly backed by the RSS that led to restrictions on freedom of expression which we are debating today. The RSS had defended the sacred Sikh Shrine ‘Darbar Sahib’ at Amritsar twice when Muslim League led mobs attacked it in 1947. Did you know that one single anti-India and pro-China book ‘India’s China War’ written by Anglo-Australian journalist Neville Maxwell shaped the global narrative against India for more than five decades. It was a Swedish journalist Bertil Lintner who challenged it and turned the tables on Chinese propaganda with his book ‘China’s India War’ but even Indians don’t talk about it. Everyone remembers the 1962 war when India lost to China but there was another war in 1967 on Sikkim border where India took the revenge of 1967 and defeated China. Most of us don’t even know about this great victory! Indians have been made to remember the 1962 defeat and forget the glorious victory of 1967. Many such stories which comprise the forgotten history of India are part of this book. This forgotten history of India has been buried deep down in the dusty archives waiting to be told.

Biography of Madhav Sadashiv Golwalkar, founder leader of Rashtriya Swayam Sevak Sangh, Indian sociopolitical organization.

Disenchanted India and Beyond: Musings on the Lockdown Alternatives offers radical alternatives for democratic transformation of society to uphold the ideals and values of equality, liberty and justice in India.

Madhav Sadashiv Golwalkar (1906-73) Was The Second Sarsanghachalak Or Supreme Guide Of The Hindu Nationalist Rashtriya Swayamsevak Sangh (Rss), A Position He Held For Thirty-Three Years. Though He Was Not Its Founder, He Cast The Organization In His Own Image, And Remains To This Day The Most Influential Ideologue Not Only Of The Rss But Also Of All The Organizations Inspired By It Including The Bharatiya Janata Party (Bjp), Which Led The Country S Ruling Coalition From 1999 To 2004. This Unprecedented And Extremely Important Book Is Perhaps The First To Examine Golwalkar S Thought And His Legacy Closely And Critically. Focusing On The Arguments Delineated In The Writings And Speeches Of Golwalkar, Jyotirmaya Sharma Questions The Assumptions Upon Which The Ideologues And Champions Of Hindutva Seek To Establish A Hindu Nation In India. As It Highlights How Much These Arguments Derive From Eighteenth-And Nineteenth-Century Indologists, And How Closely They Parallel Fascist Ideology, The Book Unravels The Confusion, Intolerance And Intellectual Deficit That Has Gone Into Hindu Nationalist Thinking. It Comes To The Conclusion That The Politics Of Hindu Nationalism Feeds On A Dangerous Concept Of The Nation State And A Misunderstanding Of The Very Idea Of What Hinduism Is And Who Is A Hindu. In Doing So, The Book Also Provides An Opportunity To Engage With The Politics Of Hindutva And Its Various Manifestations In The Contemporary Political Scenario. Praise For Hindutva: Exploring The Idea Of Hindu Nationalism A Valuable, Well-Considered Contribution To The Discussion On The Antithesis Of Secularism Frontline An Excavation Of The Intellectual Genealogy Of Hindutva&[Jyotirmaya Sharma] Has A Gift For Communicating Complex Ideas In Lucid Prose The Telegraph Hindutva Is Short And Written For The Lay Person, Free Of The Academic Exhibitionism That Mars So Many Books On Philosophy, Yet A Product Of Deep Reading And Research. It Is An Important Book India Today Jyotirmaya Sharma S Book, Perhaps For The First Time, Presents A Detailed Descriptive And Historical Account Of Both The Idea Of Hindutva And Its Historical Development. It Fills An Enormous Gap Seminar

This Book Is A Comprehensive Study Of The Two Prominent Religious Minorities, Muslims And Christians, In India.
