Do you sometimes feel as if you are living your life to please others? Do you give other people the benefit of the doubt but second-guess yourself? Do you struggle with perfectionism, anxiety, lack of confidence, emotional emptiness, or eating disorders? In your intimate relationships, have you found it difficult to get close without losing your sense of self? If so, you may be among the fifteen million adults in the United States who were raised with unhealthy parental control. In this groundbreaking bestseller by accomplished family therapist Dan Neuharth, Ph.D., you'll discover whether your parents controlled eating, appearance, speech, decisions, feelings, social life, and other

aspects of your childhood—and whether that control may underlie problems you still struggle with in adulthood. Packed with inspiring case studies and dozens of practical suggestions, this book shows you how to leave home emotionally so you can improve assertiveness, boundaries, and confidence, quiet you "inner critics," and bring more balance to your moods and relationships. Offering compassion, not blame, Dr. Neuharth helps you make peace with your past and avoid overcontrolling your children and other loved ones.

Senator Rand Paul, leading national politician and 2016 Presidential candidate, presents his vision for America. From his electrifying thirteen-hour filibuster against administration-orchestrated drone strikes against U.S. citizens, to leading the discourse on criminal justice, Senator

Rand Paul has taken Washington by storm. His outreach to this country's minority communities alone- championing reforms of mandatory minimum sentencing, school choice, and the creation of enterprise zones for economically depressed areas- distinguishes him as a politician and Republican the likes of which are rarely seen. What lies ahead is Senator Paul's plan for America, where lower taxes and smaller government empower a muscular and expansive middle class; an America that doesn't engage in nation-building or fight wars where the best outcome is stalemate; an America that believes in constitutionally protected liberty and the separation of powers.
