The official book tie-in to the acclaimed romantic comedy from Fox Searchlight Pictures, an audience hit at the 2009 Sundance Film Festival, starring Joseph Gordon-Levitt (3rd Rock from the Sun, 10 Things I Hate About You) and Zooey Deschanel (Yes Man, The Happening, The Hitchhiker's Guide to the Galaxy). "This is a story of boy meets girl," begins the wry, probing narrator of (500) Days of Summer, and with that the film takes off at breakneck speed into a funny, true-to-life, and unique dissection of the unruly and unpredictable year and a half of one young man's no-holds-barred love affair. In addition to the complete screenplay, the Newmarket Shooting Script® book includes an exclusive introduction by Director Marc Webb, exclusive forewords by Screenwriters Scott Neustadter & Michael H. Weber, an 8-page color section, production notes, and the complete cast and crew credits.

Bestselling author Alain de Botton considers how our private homes and public edifices influence how we feel, and how we could build dwellings in which we would stand a better chance of happiness. In this witty, erudite look at how we shape, and are shaped by, our surroundings, Alain de Botton applies Stendhal's motto that "Beauty is the promise of happiness" to the spaces we inhabit daily. Why should we pay attention to what architecture has to say to us? de Botton asks provocatively. With his trademark lucidity and humour, de Botton traces how human needs and desires have been served by styles of architecture, from stately Classical to minimalist Modern, arguing that the stylistic choices of a society can represent both its cherished ideals and the qualities it desperately lacks. On an individual level, de Botton has deep sympathy for our need to see our selves reflected in our surroundings; he demonstrates with great wisdom how buildings – just like friends – can serve as guardians of our identity. Worrying about the shape of our sofa or the colour of our walls might seem self-indulgent, but de Botton considers the hopes and fears we have for our homes at a new level of depth and insight. When shopping for furniture or remodelling the kitchen, we don't just consider functionality but also the major questions of aesthetics and the philosophy of art: What is beauty? Can beautiful surroundings make us good? Can beauty bring happiness? The buildings

we find beautiful, de Botton concludes, are those that represent our ideas of a meaningful life. The Architecture of Happiness marks a return to what Alain does best – taking on a subject whose allure is at once tantalizing and a little forbidding and offering to readers a completely beguiling and original exploration of the subject. As he did with Proust, philosophy, and travel, now he does with architecture.

For fans of 500 Days of Summer, Notting Hill and New Girl, This is a Love Story is a very exciting first novel from Jessica Thompson. This is a love story. Boy meets girl and girl falls for boy - that much is true. But when Sienna meets Nick it's not the way it happens in love stories. It's because of a squirrel on water skis... She sees Nick's dangerous brown eyes and thinks, Don't. Fall. Into. Them. Who will be there to catch Sienna when she falls? She is so fragile. She has so many secrets, and he is not that serious. Funny and sad, this is the story of two people destined never to come together in the great love affair they crave more than anything else.

another. Over twenty years, snapshots of that relationship are revealed on the same day—July 15th—of each year. Dex and Em face squabbles and fights, hopes and missed opportunities, laughter and tears. And as the true meaning of this one crucial day is revealed, they must come to grips with the nature of love and life itself. "One of the most hilarious and emotionally riveting love stories you'll ever encounter." —People #1 INTERNATIONAL BESTSELLER

On a hot summer day, a little girl finds ways to entertain herself and stay cool. She catches a butterfly, sips lemonade, jumps in a pool, and goes on a picnic. At night, she sees an owl in a tree and a frog in a pond, and hears leaves rustling. Before long, she's fast asleep, dreaming about more summer days and summer nights. As with his earlier books featuring this spunky little girl, Wong Herbert Yee's focus is on appreciating the small but special details that define a season.

This wildly funny twist on the "How I spent my summer vacation" school-essay ritual details one child's imaginary adventures over the summer and is perfect for back-to-school! Most kids go to camp over the summer, or to Grandma's house, or maybe they're stuck at home. Not Wallace Bleff. He was supposed to visit his Aunt Fern. Instead,

Wallace insists, he was carried off by cowboys and taught the ways of the West--from riding buckin' broncos to roping cattle. Lucky for Aunt Fern, he showed up at her house just in time to divert a stampede from her barbecue party! Perfect for back-to-school read-alouds, here's a western fantasy with sparkling illustrations and enough action to knock kids' boots off!

When a viral apocalypse kills 97% percent of the people on the planet, the survivor's humanity is hanging by a thread. Fighting over the leftovers of civilization, what's needed is a hero that's more killer than saint. The people he finds become family and that is very bad news for those who think they are running things. This is the first book in new series from the author of the Eden Chronicle's "A Bright Shore" and "Come and Take it." The author is a former CIA operations officer who has decided that his lifelong writing habit/hobby/obsession is more fun than "real" work. "Finally an author that doesn't pull punches..." romantic rewrites the script to understand why his “picture-perfect” love story crashed and burned in this wonderfully clever debut. Ellie had the quizzical eyebrows of Broadcast News–era Holly Hunter and the neon-red hair of Kate Winslet in *Eternal Sunshine of the Spotless Mind*. At least that’s what caught Nick’s attention when he met her on the night of 2008’s historic presidential election. A cinema buff and devotee of great love stories, Nick always fancied himself the Tom Hanks of his own romantic comedy, and when sparks flew with Ellie that night, he swiftly cast her as the Meg Ryan of his story. For four blissful years, Nick loved Ellie just as he loved his job as a film projectionist: wholly, earnestly, cinematically. But now Ellie has moved out, convinced that “the fire’s gone,” and Nick is forced to sift through his memories to figure out where it all went wrong. That night was a perfect meet-cute, yes, but was their romance as destined for a “happily ever after” as he’d thought? Was he really the rom-com hero he believes he’d been? Or did this Harry let his Sally down? Peppered with references to beloved movies, *Love, Unscripted* explores how even a hopeless romantic can learn that in real life, love isn’t—shouldn’t be—like what we see in the movies.

Summer is depressed about having to spend part of her vacation with her parents at a resort, but then she meets a good-looking guy who

challenges her to explore something new.

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told

her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
