Study Score

An exploration of the cultural impact of Samuel Barber’s Adagio for Strings, the Pieta´ of music, and its enigmatic composer. "Whenever the American dream suffers a catastrophic setback, Barber’s Adagio plays on the radio.”—Alex Ross, author of The Rest is Noise In the first book ever to explore Samuel Barber’s Adagio for Strings, music and literary critic Thomas Larson tells the story of the prodigal composer and his seminal masterpiece: from its composition in 1936, when Barber was just twenty-six, to its orchestral premiere two years later, led by the great Arturo Toscanini, and its fascinating history as America’s secular hymn for grieving our dead. Older Americans know Adagio from the funerals and memorials for Presidents Roosevelt and Kennedy, Albert Einstein, and Grace Kelly. Younger Americans recall the work as the antiwar theme of the movie Platoon. Still others treasure the piece in its choral version under the name Agnus Dei. More recently, mourners heard Adagio played as a memorial to the victims of the 9/11 attacks. Barber’s Adagio is truly the saddest music ever written, enrapturing listeners with its lyric beauty as few laments have. The Adagio’s sonorous intensity also speaks of the turbulent inner life of its composer, Samuel Barber (1910-1981), a melancholic who, in later years, descended into alcoholism and severe depression. Part biography, part cultural history, part memoir, The Saddest Music ever Written captures the deep emotion Barber’s great elegy has stirred throughout the world during its seventy-five-year history, becoming an icon of our national soul.

The classic artsong by Samuel Barber is now available in an easy choral edition. Ideal for developing ensembles in middle and high school. Available for: SATB and SA.

With this brilliant and uncompromising work perhaps the most famous musical work of the twentieth century Stravinsky changed the course of modern music forever. Discarding conventional harmonies for bizarrely dissonant chords, and uniform metrics for harshly jarring beat patterns, he created a sensational theater piece that, at the work’s 1931 premier, caused the music world’s most talked-about riot. "Every law of musical syntax, every canon of harmony seems to have been violated, every limit of rhythmic perversity and eccentricity of orchestration exceeded in this tumultuous cataclysm of sound," says "Grove's"; "yet with all its deliberate crudity and violence the 'Rite' is a clearly planned and perfectly controlled and coordinated piece of music [that] has long been accepted universally as a masterpiece and is in the repertory of every large symphony orchestra." Reproduced here from an authoritative edition, the score is ideal for study in the classroom, at home, or in the concert hall. This affordable, durable, and portable volume will be the edition of choice for music students and music lovers alike."

(String Solo). Adagio is a Samuel Barber piece arranged for violin and piano by Jerry Lanning. It contains both score and part. This is a solo work of Barbe r’s popular Adagio for Strings.

An annotated reference guide to Barber's life, works and achievements, it will prove valuable for anyone seeking information on him.

Offering comprehensive coverage of classical music, this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers, as well as twenty-three essays on forms, eras, and genres of classical music. Original.
