Airstream travel trailers have become
an American icon, turning heads on
the highway since the 1930s. And the
inside of each one is just as
impressive as the outside, with all the
comfort, technology, and convenience
that makes travelers and campers
anywhere feel like home.

The book is advertized as being a necessity for vintage trailers due to the lack of manuals available. It is not, in the book, pg. 16, it states outright it is more for 2000 and forward. Had I known I would have purchased a different book. Otherwise if you own a 2000 airstream or newer its well written and covers a lot of good information.
