On 26 November 1865, Dodgson's tale was published by Macmillan of London as Alice's Adventures in Wonderland under the pseudonym "Lewis Carroll" with illustrations by John Tenniel. The first print run of 2,000 was held back because Tenniel objected to the print quality.

For the past 15 years, fantasy artist Jasmine Becket-Griffith has captivated a worldwide audience with her imaginative acrylic paintings. Exploring realms of sparkling whimsy and gothic melancholy, her original characters evoke an emotional response with their large luminous eyes. This volume contains a comprehensive compilation of fine colour reproductions of Jasmine's paintings and serves as a true treasure for long-time collectors as well as being a very accessible introduction for new fans. In addition to detailed personal insights from the artist, the artworks are supplemented with the poetry and short stories of Amber Logan and Kachina Glenn - the artist's sisters - illuminating the histories behind some of Jasmine's most beloved characters.

Be creative, be adventurous. You don't have to fall down the rabbit hole to enter the magical world of Alice in Wonderland. Just open this giant book and read, color, and remember when you first encountered Lewis Carroll's sublime nonsense and Sir John Tenniel's elegant engravings.

Are you or someone you know a lover of Alice in Wonderland? This unique artwork was created by a papercut and then scanned to create this beautiful notebook. Whether you are buying for yourself or as a gift, this beautiful artwork will be a joy to carry with you, or sit on your desk at home.

The sketches in this Alice in Wonderland adult coloring book are very detailed, giving you the perfect palette to create your own colorful masterpieces. Fantasy and fairy tale coloring lovers will enjoy the gorgeous pictures in this Alice in Wonderland coloring book. The designs inside have a variety of difficulty levels, so there will be something for every one to apply your creativity. Make use of a big choice of coloring tools - markers, pencils, pens, colored pencils, or even a combination of all of the above. As each image is printed on its own crisp white page, the effects of any bleed-through are prevented. Tumble down the rabbit hole with Alice for a fantastical adventure in Wonderland. Published in 1865, Alice's Adventures in Wonderland has delighted generations of readers, both young and old alike. Matte Cover 8.5x11" Large Print Perfect as a coloring book

"Alice in Wonderland" is the best known work of Charles Lutwidge Dodgson (1832 - 1898), better known by his pen name, "Lewis Carroll". Telling the tale of a girl named Alice who falls down a rabbit hole into a fantasy world populated by surreal and anthropomorphic creatures, the book was a huge commercial success on its initial publication in 1865. It was followed by its sequel, "Through the Looking-Glass, and What Alice Found There", in 1871. The books play at the heart of logical problems and literary nonsense - giving the narrative lasting popularity with adults and children alike. Originally published in 1912, this edition of the "Alice in Wonderland" story is accompanied by the intricate and beautifully coloured illustrations of Frank Adams - a lesser known, though immensely skilled Golden Age illustrator. Adams (1871 - 1944), established himself as a children's illustrator in the early 1900s, with the crisp and clean images he later became famous for. Presented alongside the text, his illustrations further refine and enhance Lewis Carroll's masterful storytelling. Pook Press celebrates the

great "Golden Age of Illustration" in children's classics and fairy tales – a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

Tells a simplified version of the story of a girl who falls down a rabbit hole and discovers a world of nonsensical and amusing characters.

This is a pack of three of the same print. Alice's Adventures in Wonderland was first published in 1865 by Macmillan & Co. In January 1864 Lewis Carroll met with the illustrator John Tenniel, and in Tenniel's hands, the characters of Wonderland came to life. Printing Tenniel's images in the first edition of the book involved careful preparation the drawings were carved into woodblocks by wood engravers, and the blocks were used to create metal 'electrotypes' that would be used on the printing press. This fine art print has been made using traditional methods of reproduction and printing. In 2014 Macmillan created a new set of reproductions from the original woodblocks, now held in the British Library. The printing has been done on a traditional 4-color proofing press, printing directly onto art-quality paper."

Explore the phenomenon of Alice in Wonderland, which has captivated readers from Walt Disney to Annie Leibovitz for over 150 years Lewis Carroll's Alice's Adventures in Wonderland is a cultural phenomenon. First published in 1865, it has never been out of print and has been translated into 170 languages. But why does it have such enduring and universal appeal, for both adults and children? This book explores the global impact of Alice in art, design, and performance from the 19th century to today. Starting with the Victorian literary and social context in which this story was created, it shows the ways in which Carroll's books have been reimagined and reinterpreted by each new generation, from the original illustrations by John Tenniel to artwork by Peter Blake and Salvador Dal., and from the 1951 Disney movie to Tim Burton's 2010 interpretation.
