Family counseling could help you address problems you have relating to your family. Maybe you do not feel your family accepts you because of your sexual orientation or religious values. Maybe your family fights all the time, or never dealt with the fallout of a trauma. Family counseling may be worth a try.

Spielberg's classic sci-fi story of an extraterrestrial stranded on planet Earth is pure movie magic. Parents will love the nostalgia throwback (baby-faced Drew Barrymore) and little ones will love the adorable E.T. and his friendship with his earthling family (although keep in mind that there is some light swearing and a few sad moments).
