~~Béatrice et Bénédict – A Comic Opera in Two Acts: Vocal ...~~
Béatrice et Bénédict (*Beatrice and Benedick*) is an opéra comique in two acts by French composer Hector Berlioz. Berlioz wrote the French libretto himself, based closely on Shakespeare 's *Much Ado About Nothing* . Berlioz had been interested in setting Shakespeare's comedy since his return from Italy in 1833, but only composed the score of *Béatrice et Bénédict* following the completion of *Les Troyens* in 1858.

This book contains essays by leading Berlioz scholars on various aspects of the great musician's life and work.

Edward Elgar rose from obscurity to become the most popular English composer of his day. Elgar's music is known world-wide and works such as the 'Enigma Variations' and 'The Dream of Gerontius' together with the two symphonies and the two concertos have established him as one of the greatest British composers of all time. The Elgar Society was founded in 1951 to further the cause of Elgar's music and

Read Book Beatrice Et Benedict Vocal Score A Comic Opera In Two Acts For Soli

the present volume of essays has been compiled as an expression of gratitude for the work that it has done. These essays reflect the variety and richness of Elgar's music and the debate that this music continues to encourage. The book is not simply for academics however; lovers of music in general will find much to entertain them and it will add greatly to our appreciation of Elgar.

A multi-volume set giving detailed information on every aspect of opera - over 100,000 entries. Improves on Steiger's Opernlexikon by including two additional data-categories for each work (language of text and literary sources) and by covering composers who have appeared since the end-date of Steiger's work (1934).

"In 1936 Meyerbeer's opera Les Huguenots achieved its 1,120th performance at the Paris Opera. This extraordinary record is an indication of the vast fame and influence of its composer who was once a household name, like Verdi or Puccini. Now he is unknown to the ordinary opera lover. These essays represent something of an odyssey to seek out and know the shadowy figure behind so much divided opinion and long neglect. They represent attempts, at various stages over thirty years, to find Meyerbeer and enter the world of his remarkable operatic creations that once so characterized the musical life of European
