God loves you so much that He wants you to live from the spiritual dimension where He is, and where everything is possible. So often we try to pull God down to our level, but He tells us very clearly in His word that His ways and thoughts are higher. He can't be pulled down—but we can ascend upward into His thoughts, ways and paths. In this intriguing book, Scott Johnson shares many real-life encounters with God. He shows you that through a mature relationship with the Father, you can learn to use your faith to prevent problems as well as fix your

existing challenges. With chapter titles that include “That Doesn’t Make Sense” and “Trust God—No Matter What,” Scott shows you that when you obey God and do whatever He tells you to do, He will honor your faith. There is a way to overcome and win every time so that in your life, the power of possibility will consistently overtake...what seems impossible! This is a good book! Take the time to read and reread *What Seems Impossible*. Look up the scriptures. Faith comes by hearing and hearing by the Word of God—read and listen. Read and believe it. Read and act. Step over the lines of faith. Jesus is always there—arms open, smiling and saying, “You can do it!” All things are possible to him who believes. Kenneth Copeland—Author and Minister

Your Defining Moment - For the Believer,

Access Free Believers Voice Of Victory Network

there is no such thing as mere secular employment, only vocational calling. When we think of men and women of great destiny and calling, we typically think of those people that have helped to shape the events of history. In general, main line Christianity failed to bring the sense of divine mission down to the man on the street. Our culture has become such a circus of propaganda, larger than life personas, and image branding that we fail to recognize the strong prevailing influence of the everyday person. In this new book, Jen Tringale encourages and exhorts believers to live in a life defining moment of time. All throughout the Bible, there are amazing examples of how God sets people up for moments that allow them to become pregnant with purpose. People who live for the purpose of "getting ahead" are different from those who live with a sense of mission and

Access Free Believers Voice Of Victory Network

calling. She explains that one moment of favor is worth more than ten years of labor and that paying attention to the timing and a rightly discerned moment can pick you up from one place and catapult you to a new level that would have taken years for you to get to in the natural progression of things. These moments have been prepared for you by your Creator! Your Defining Moment will ignite a passion for your destiny, giving you the ability to look above your current job, season of life, circumstances or challenges to truly pursue what God has uniquely designed you to do. This book will help you recognize the building block experiences of your life and the key people God has sent your way as doorways to your destiny. Young or old, educated or not, successful or seemingly insignificant, this book will propel you to new heights as you recognize the defining moment God

has set in place for all His children.

Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

There are instructions set forth in the Word of God to teach men how to live a prosperous life. True prosperity is the ability to apply the power of God to meet any need spiritual, mental, and physical. In this book, Kenneth Copeland shares the revelation of spiritual laws that govern prosperity. The Laws of Prosperity is written to teach you how to apply these

Access Free Believers Voice Of Victory Network

laws in your own life so that you can begin to enjoy the great, abundant life that only God can provide.

Is prosperity truly Gods plan for you? Claim the physical and spiritual riches that are yours. Once you understand the plan of abundance God has designed, youll never again accept anything less. Through this scriptural study by Kenneth Copeland, you can be sure that when it comes to Prosperity: The Choice Is Yours.

This book will help me to understand who Donald Trump is, what he really believes, where his vision for America will lead us, and where God is in all of this.

Jesus's authority over evil was revealed through the many signs and wonders he performed and through his victory over death. Mahesh and Bonnie Chavda believe

Access Free Believers Voice Of Victory Network

that Christians today can experience the same victory since Jesus commissioned his disciples to spread the gospel and advance the kingdom with power. In Storm Warrior, the Chavdas equip believers to do battle with the enemies of God. They lead readers through biblical teaching about binding and loosing and into the realm of victory over the kingdom of darkness through signs and wonders. They offer prophetic insight into the Scriptures and share personal stories, showing readers how they too can walk in the power of God through all the circumstances of their lives.
