Jezebel died 3,000 years ago. But her spirit lives today. Jezebel was the most wicked woman in the Bible, a powerful seductress who killed the prophets, led Israel into idolatry and immorality, and

emasculated men. She was seductive and determined to snuff out the voices coming against her, because these voices were calling out for repentance. In twenty-first-century America, Jezebel is not a person. But it's as if the spirit of Jezebel is alive again today. The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation, the militant spirit of abortion, the rise of radical feminism, and most importantly, in the attempt to silence prophetic voices. Just as Jezebel clashed with strong men almost three thousand years ago, the demonic spirit of Jezebel is powerful in America, and it is going after the church. This eye-opening book not only unveils the satanic plot to destroy America, beginning with an all-out assault on the church, but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation. This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church. OTHER BOOKS BY MICHAEL L. In *Violence and Desire in Brazilian Lesbian Relationships*, Allen examines the lives of Brazilian women in same-sex relationships. This examination contributes to interdisciplinary discussions of female same-sex sexuality, violence, race, and citizenship. Using fifteen months of ethnographic fieldwork, primarily with Afro-Brazilian women in the city of Salvador da Bahia, Allen argues that Brazilian lesbian women reject Brazilian cultural norms that encourage male domination and female submission through their engagement in romantic relationships with each other. At the same time Allen claims lesbian women also reproduce Brazilian cultural ideals that associate passion, intensity, and power with physical dominance through their engagement in infidelity and intimate

partner violence. The book demonstrates that lesbian women are nonetheless marginalized as Brazilian citizens through widespread social and political invisibility despite these apparent displays of masculinized power.

In this book, the author explains why the traditional structure of evangelizing, assimilating and discipling leaders will never be fast enough or efficient enough to facilitate the revival that God has promised. He explains how the cell model, a simple tool in the hand of the Lord, can strengthen churches and prepare members for the rush of new believers.
