inspirations ranging from Richard Avedon fashion photographs to Rene Gruau illustrations, Redd has crafted interiors for a wide array of venues. His trademark approach to design has brought to life rooms infused with boldness, fantasy, and sophistication. This lavishly illustrated volume will be an inspiration to anyone interested in spirited, and eclectic design. Miles Redd embarked on his interior design career after graduating from NYU, honing his skills with luminary antiques dealer John Rosselli and decorator Bunny Williams. In 1998, he opened his own design firm in New York City's NoHo neighborhood and he has been the creative director of Oscar de la Renta Home since 2003. The Big Book of Chic gives a glimpse into the inspiration that fuels Redd, and focuses on the pleasures of living life

The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for

millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members' accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the

book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, *Writing the Big Book* presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

Twelve Steps to recovery.

Finally! The book that thousands of alcoholics have been waiting for! An updated version of the "Big Book of Alcoholics Anonymous." This edited revision of the old, basic text is reader-friendly and carries the exact same message as the 1939 version of

"Alcoholics Anonymous." It's written in a style that's friendly to readers of any gender, race, or spiritual path. Until now, Bill Wilson's 1939 book has never been edited for modern readers. This book is for: Women who object to the sexist language in the original Big Book. The EZ Big Book is gender neutral. All partners of alcoholics, including gays and lesbians. The EZ Big Book makes no assumption about the genders or marital status of partners. Alcoholics at all reading levels. The language is reader-friendly and journalistic in tone. Readers of any faith, including agnostics. The spiritual references in the book are all-encompassing. Non-English speakers. Readers for whom English is a second language buy the EZ Big Book because the writing is simple and direct. About the Author The author is

Concepts embody our knowledge of the kinds of things there are in the world. Tying our past experiences to our present interactions with the environment, they enable us to recognize and understand new objects and events. Concepts are also relevant to understanding domains such as social situations, personality types, and even artistic styles. Yet like other phenomenologically simple cognitive processes such as walking or understanding speech, concept formation and use are maddeningly complex. Research since the 1970s and the decline of the "classical view"

of concepts have greatly illuminated the psychology of concepts. But persistent theoretical disputes have sometimes obscured this progress. The Big Book of Concepts goes beyond those disputes to reveal the advances that have been made, focusing on the major empirical discoveries. By reviewing and evaluating research on diverse topics such as category learning, word meaning, conceptual development in infants and children, and the basic level of categorization, the book develops a much broader range of criteria than is usual for evaluating theories of concepts.

Written to be used in conjunction with, not instead of the "Big Book of Alcoholics anonymous." This book will help guide you through a personal

experience with all "Twelve Steps" as they are outlined in the "AA Big Book." You write notes and questions from the "Big Book Awakening" into your own "Big Book" for personal consideration. After you have completed this process yourself your "Big Book" is now a powerful "working with others book" with questions and considerations that will help you work with others both one-on-one and in workshops. They themselves write the same notes into their own "Big Book" to one day do the same.

This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves

through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some

ALCOHOLICS ANONYMOUS: The Story of How Many Thousands of Men and Women Have Recovered from Alcoholism (also known as the **BIG BOOK**) describes how to recover from alcoholism. The author is a founder of Alcoholics Anonymous (AA), Bill W. and Dr. Bob. It is the originator of the seminal "twelve-step method" widely used to attempt to treat many addictions, from alcoholism and heroin addiction to marijuana addiction, as well as overeating, sex addiction, gambling addiction, and family members of alcoholics, with a strong spiritual and social emphasis. Alcoholics Anonymous (or the 'Big Book' as it is commonly called). It is the first text written about the experiences of the founders of the AA
