Black Butler VIII, like its predecessors, is in five parts. The
first four parts of this volume end the Noah's Ark Circus arc.
The volume begins with Phantomhive Manor under assault,
and the arc ends rather brutally, as one would expect of the
series. The final fifth is Lizzie and Ciel getting their Easter
clothes made.

titular character and his young master, let alone show the inevitable reunion (or rather, re-reunion) between brothers.

When one curtain falls upon the big top stage, another rises behind the scenes, as young Earl Ciel Phantomhive and his virtuoso butler, Sebastian, face off against the villain behind the missing children. But as Sebastian, under orders from his master, single-handedly draws the gruesome tale to its sad conclusion on one front, battle lines are drawn on another! With the masterless Phantomhive Manor under attack from the Noah's Ark Circus and Sebastian nowhere nearby to protect its inhabitants, is Ciel's home once again headed for the same tragedy that took the lives of the young earl's parents?

As Ciel and Sebastian are busy facing off against a villain absconding with the missing children, Phantomhive Manor comes under attack from the Noah's Ark Circus.

In the heart of London stands Sphere Music Hall, a venue that enjoys immense popularity amongst the populace. However, the fervour with which its visitors return causes consternation in the mind of Her Majesty, Queen Victoria, who suspects the organisation of cult practices and sends Earl Ciel Phantomhive and his impeccable butler, Sebastian, to infiltrate the hall. They are met with none other than the disgraced erstwhile prefects of Weston College and an otherworldly fortune-teller called Blavat, who takes one look at Sebastian and divines his true nature without faltering...!

Just a stone's throw from London lies the manor house of the illustrious Phantomhive earldom and its master, one Ciel

Phantomhive. Earl Phantomhive is a giant in the world of commerce, Queen Victoria's faithful servant...and a slip of a twelve-year-old boy. Fortunately, his loyal butler, Sebastian, is ever at his side, ready to carry out the young master's wishes. And whether Sebastian is called to save a dinner party gone awry or probe the dark secrets of London's underbelly, there apparently is nothing Sebastian cannot do. In fact, one might even say Sebastian is too good to be true...or at least, too good to be human...

Having successfully infiltrated the Noah's Ark Circus in the guise of rookie performers, Earl Ciel Phantomhive and his butler, Sebastian, set about gathering clues backstage as to the whereabouts of the missing children. But when a turn at a snooping puts Ciel on the trail of a man whose identity is shrouded in mystery, he sets his consummate manservant to the task of investigating further. This time, however, Sebastian must call upon one of the more infamously wicked skills of his kind to solve the puzzle. As he stalks his vulnerable prey in the shadows of the fairgrounds, is his young master prepared for where the ill-gotten gains of his butler's methods will lead?

The truth of what happened three years ago comes to light, as the past Ciel sought to erase is thrust in his face. The revelations shake the Phantomhive manor to its foundations, and even Sebastian, the resident devil, can only look on in admiration at the consummate gamesmanship at play. The Phantomhive blood, it would seem, runs thick with the thirst for vengeance...

The cheer of the holidays has passed, but the Noah's Ark traveling circus has been making the rounds, bringing fun and joy to children of all ages. However, as the ringmaster's cries

fade away, a disturbing trend begins to surface in the wake of the colourful entourage. Children seem to disappear whenever the circus packs up for its next destination, and there are no clues...or corpses...to be found. But when the situation calls for Ciel and Sebastian to infiltrate the big top, will Sebastian's inhuman skills be enough to see him and his young master through a treacherous tightrope act that may well end in death?

On 14 December 1885-Earl Ciel Phantomhive's tenth birthday-despair was visited upon House Phantomhive in the form of a heinous attack on the family manor. Beckoned by the hatred in the wails of a helpless child, a devil alighted from an undulating purple-black mire. Thus, one story began, even as another ended...Or did it?

London - the capital of the Great Empire - is once again under siege, as a string of bizarre attacks on British citizens returned from India sends rumours flying and casts a pall upon Queen Victoria's rule. Sent in by Her Majesty, young Earl Phantomhive and his most capable butler, Sebastian, follow a trail that collides head-on with an Indian youth who claims to be a prince. And this prince possesses an extraordinary butler of his own! As an intense rivalry between the two butlers begins to form, will the kitchen be the dueling duo's final battleground?!

Earl Ciel Phantomhive and his invincible butler, Sebastian, have thusfar been foiled in their attempts to seek an audience with the headmaster of Weston College. To further their investigation, the sole option that remains is the exclusive "Midnight Tea Party" hosted by the elusive school head. And the only way Ciel, earl or no, can land a seat at that table is by earning the title of e Most Valuable Player in the College's
