A story of black organized crime follows Prince from his beginning as a teenage ganglord to his position as head of Detroit's powerful mob.

Terry and Teddy's relationship crumbles and they go in separate directions as they become heroin addicts and seek their dealer's favor in order to feed the addiction.

After a heist on a freight train leads to murder, Johnny and his friends go to work for kingpin Duke Davis, but when Duke recruits Johnny's little sister Leslie for prostitution and later kills her, Johnny seeks revenge.

Teenagers Sandra and Chink fall in love after they start selling drugs in inner-city Los Angeles, but when he goes to jail and Sandra is later raped, Chink escapes to seek revenge against the men responsible.

David clawed his way out of the streets; he did whatever it took to get to the top, but he didn't know it could cost him his life.

Clawing his way to the top, pimp Earl the Black Pearl believes he is untouchable, but when someone puts a hit on his friends, he has to fight back to save his own life. In this, his fourth novel, Donald Goines tests the tensile strength of a ghetto spawn who clawed his way to the top and fights like hell to stay there. He's known as Earl the Black Pearl, and he's left the homeboys behind--way behind. He's cool, sharp as an ice crystal, and it seems that no one can touch him. Until someone even higher up puts the heat on and his friends begin dropping like flies--of lead poisoning. That's when Earl fights back . . . and all hell breaks loose! "He lived by the code of the streets and his books vividly re-created the street jungle and its predators." --New Jersey Voice

Whoreson Jones is the son of a beautiful black prostitute and an unknown white john. As a child, he's looked after by his neighbourhood's imposing matriarch, Big Mama, while his mother works the streets. At the age of 12, his street education begins when a man named Fast Black schools him in trickology. By 13, Whoreson is a cardsharp. At the age of 16 his childhood comes to an abrupt end when he becomes a fully-fledged pimp: cold-blooded and ruthless. As he battles to understand his world, he must learn to live up to his mother's words, 'First be a man, then be a pimp'.

Goines' classic novel of prison life, it has been called "one of the most revealing books ever written about prison life and the bigotry built into our system."

A portrait of the popular African-American novelist discusses his life as a street hustler, heroin addict, and factory worker before he transitioned into writing, citing how his earlier years were marked by violence, prostitution, and prison and revealing how his experiences were used in the creation of his successful literary works. Reprint. 15,000 first printing.

"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never
