lasting only a short time or containing few words: His acceptance speech was mercifully brief. I had a brief look at her report before the meeting. It'll only be a brief visit because we really don't have much time.

BRIEF—**meaning in the Cambridge English Dictionary**
a. a memorandum of points of fact or of law for use in conducting a case. b. a written statement submitted to a court by counsel presenting the principal facts, points of law, and arguments related to a client's case. 7. an outline, summary. 8. briefs, (used with a pl. v.) close-fitting legless underpants with an elastic waistband.

Brief—**definition of brief by The Free Dictionary**
From one enemy of Robert the transition is brief and natural to another. He made his way to the house of Squire Paine, and, after a brief pause, was admitted. It concerns myself, and will therefore be as brief as possible. We regret that his tours are so rapid, and his journals so brief.

Although unjustly neglected by modern writers, William Bathes contributions to music pedagogy in late sixteenth-century England were profound. Bathes A Briefe Introduction to the Skill of Song (1596) not only includes the first explication of a four-syllable, non-hexachordal solmization method published by an English writer (a system similar to that which would become the standard in England during the seventeenth century) but also outlines a combinatorial method for composing canons that is remarkably forward-looking in both conception and design. In addition to providing the first modern edition of Bathes treatise, the volume examines the complicated compilation and publication histories of the book, the historical and theoretical foundations of Bathes contributions, and the relationship between the 1596 book and Bathes 1584 treatise A Briefe Introduction to the True Arte of Musicke (the extant text of which is included as an appendix).

This dual-language book contains the first English-language translation of Johann Wolfgang von Goethe's "Letters From Switzerland" to appear in over 100 years--and it is the only version now in print. Also included is an introduction, the German-language text, a glossary, interpretive essay, selected bibliography, plus assorted photos and maps [180 pages]. Goethe's expedition through Switzerland and the Savoy during the autumn 1779 traversed a wild Alpine landscape decades before it became the popular "playground of Europe" for thrill-seeking Victorian travelers. For Germany's greatest literary figure, the rugged Alpine landscape was both a place of spiritual and scientific wonder, and an environment that would provide inspiration for many of Goethe's best loved writings.
