Three witches, The Charmed Ones, hoping to leave the past behind and begin new lives with their families and friends, find that they are still needed in the struggle against the forces of evil.

"The Power of the Three was threatened when their dead sister, Prue, was resurrected in the body of a coma patient. For a time, the sisters' magic was thrown off balance ... but now, having relinquished the Power of the Three, Prue has been imbued with the magic of the Nexus of the All, a mystical convergence with untold potential. Though the Power of the Three is once again in harmony, Prue must never leave the location of the Nexus, or the sanctity of magic as a whole will be compromised"--Back cover of Volume 1.

Having won the ultimate battle against the forces of darkness, Piper, Phoebe, and Paige—The Charmed Ones—are looking forward to a hard-earned, peaceful future. But when Phoebe's former love, Cole, returns from the dead and the sisters are reunited with Prue, now imprisoned at the magical convergence between the realms, a dangerous new threat emerges. As seemingly normal mortals violently steal the magic of witches, The Charmed Ones must shield their kind while protecting themselves from a modern-day witch hunt. Charmed: The War on Witches continues the story of the Halliwell witches, picking up where the hit television series, Charmed, left off. With only the Book of Shadows to guide them, the Halliwell sisters are the fulfillment of their ancestor Melinda Warren's prophecy that three sisters

descending from her line would become the most powerful witches of all time. As The Charmed Ones, the sisters use the Power of Three to protect the innocent and banish evil from the Earthly realm.

Tyler, a Firestarter, must bring all the Elementals together on the Night of Aeolus to perform a sacred ritual, and pursued by demons determined to harness the power for a dark evil, Tyler relies on the Charmed Ones to halt the impending catastrophe.

Contains eight short stories focusing on the family adventures of Piper, Phoebe, and Paige, Wiccan sisters who are descended from Melinda Warren, a witch burned at the stake in the 1600s.

When a demon kills Prue, their older sister, witches Piper and Phoebe Halliwell are at risk from the forces of evil unless they can find Paige Matthews, a young woman who is searching for her birth parents and feels strangely drawn to the Halliwell family

When Piper, Phoebe, and Paige undo a spell that turned a local politician to stone, they little realize the powerful magic behind the hex. As attacks on innocents mount, The Charmed Ones enlist the help of their sister, Prue, confined on the magical Nexus, only to learn that the most heinous of mythical creatures—a gorgon—is to blame. Freed from her underground tomb, Medusa joins her sisters in a crusade to avenge womankind, turning those who cross her to stone forever. At the same time, dark magic seems to be undoing all of Phoebe's good works, distracting her from the impending battle with the gorgons. With time running out, will the sisters be able to defeat Medusa and restore their innocents to life? Inspired by the hit television series Charmed, the new novel Charmed: Let Gorgons Be Gorgons continues the story of the Halliwell witches. With only the Book of Shadows to guide them, the Halliwell sisters are the fulfillment of their ancestor Melinda Warren's prophecy that three sisters descending from her line would become the most powerful witches of all time. The sisters use the Power of Three to protect the innocent and banish evil from the Earthly realm.

Dynamite Entertainment is proud to continue the story of Phoebe, Piper, and Paige, television's fan-favorite witches, in all-new adventures set within the official continuity of Charmed! A dark force has set its sights on the art world of San Francisco, utilizing a gallery exhibit to feed souls to the underworld and unleash demons into our reality. Only the Power of Three, harnessed by the Halliwell sisters, can stop the madness!
