Location & Directions From the center of Johnstown, follow Route 37 east, past the Johnstown Monroe High School, and you will see Church of the Ascension on the right side of South Main Street.

The Ascension is essential to the gospel The good news of Jesus includes his life, death, resurrection, and future return—but what about his ascension? Though often neglected or misunderstood, the ascension is integral to the gospel. In The Ascension of Christ, Patrick Schreiner argues that Jesus' work would be incomplete without his ascent to God's right hand. Not only a key moment in the gospel story, Jesus' ascension was necessary for his present ministry in and through the church. Schreiner argues that Jesus' residence in heaven marks a turning point in his three-fold offices of prophet, priest, and king. As prophet, Jesus builds the church and its witness. As priest, he intercedes before the Father. As king, he rules over all. A full appreciation of the ascension is essential for understanding the Bible, Christian doctrine, and Christ's ongoing work in the world.

Ascension Now examines the New Testament references to the ascension and exhalation of Jesus and looks at the theological and liturgical implications. This includes not only the description of the "event" in the Gospel of Luke and the Acts of the Apostles but also the departure scene that concludes the Gospel of Matthew and the references to Christ as King, as Intercessor, and as "exalted in glory" elsewhere in the New Testament. It also notes the implications for Christians who pray and preach and foreshadows some developments in worship and practical living in the light of the ascension experience. The doctrine of the ascension of Christ is important to theological debates and to the liturgical developments of the Christian Churches. Unless we connect the Christ of history with the Christ of worship, we will fail to hold together the two essential poles of the Christian faith. Christ must be both in time and beyond time. He must have been in history and been more than just a historical figure. He must be both fully human and fully God. Only then can Christ be the object of our faith and our worship. The ascension of Jesus can be seen as the journey of the humanity of Christ into the heart of the Divine God and of our journey in worship into the divine dimension of heaven. In Ascension Now, Bishop Atkins shows that in our worship we are never earthbound; we lift our hearts and minds up to where Christ is seated, symbolically reigning over the world. There he holds them tenderly in love as, through his redemptive power, we are transformed and renewed to fulfill the purposes of its Creator God. Chapters are "Introduction: The Importance of the Doctrine of the Ascension for Today's Church," "Prelude: New Ways of Seeing the Ascension," "The Biblical Evidence for the Doctrine of the Ascension," "The Theological Implications of the Doctrine of the Ascension," "The Liturgical Implications of the Doctrine of the Ascension," "The Implications of the Ascension for Our Personal Prayers," "The Implications of the Doctrine of the Ascension for Preaching," "The Implications of the Doctrine of the Ascension for Future Liturgical Practice," "Conclusion: Personal Implications of the Doctrine of the Ascension," and "Appendix: The Geography of the Ascension."

¶ I am alive forevermore! - Rev. 1:18 In this landmark work, a leading theologian presents one of the most significant studies on the doctrine of the Ascension in many years. Peter Toon explores fully all aspects of the Ascension: Its foreshadowing in the Old Testament, accounts of the Ascension from the New Testament, and church teachings on the doctrine through the ages. Drawing on the work of the world's most respected theologians, Toon shows that ¶the Ascension inaugurates a new age¶ in which Christ began a new ministry as ¶King, Priest, and Prophet.¶ Marked by clarity and penetrating scholarship, The Ascension of Our Lord is a valuable resource for pastors and all students of the Bible.
