An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to

professionals are expected to have expertise in a myriad of skills and knowledge of how to remain competitive in the global market. As companies compete for international standing, the value of marketing professionals with well-rounded experience, exposure, and education has skyrocketed. Global Perspectives on Contemporary Marketing Education addresses this need by considering the development and education of marketing professionals in an age of shifting markets and heightened consumer engagement. A compendium of innovations, insights, and ideas from marketing professors and professionals, this title explores the need for students to be prepared to enter the sophisticated global marketplace. This book will be invaluable to marketing or business

students and educators, business professionals, and business school administrators.

M: Advertising 2e was created with students' and professors' needs in mind. It explores the core principles that drive advertising, using a lively voice that goes beyond academic theory. The authors' goal was to present advertising as it is actually practiced and make the fundamentals accessible and relevant to the student's "real life." This approach truly transcends the conceptual and propels students into an exciting and practical dimension. Students receive a cost - effective, easy to read, focused text complete with study resources to help them review for tests and apply chapter concepts. Professors receive a text that contains
