Contracting With Sovereignty State Contracts

About Contracting with Sovereignty. The application of international law to state contracts with foreign private companies was the cause of continuing controversy throughout much of the twentieth century. State contractual undertakings with foreign investors raise a number of legal issues that do not fit well into the traditional pattern of international law as a law between states, but which also cannot be satisfactorily resolved by the exclusive application of the municipal law of the ...

contract claims against states are dealt with in the two parallel processes of treaty-based and contract-based arbitration.

Contracting with Sovereignty (Studies in International Law ... Sovereign debt. Contracts with states are an omnipresent feature of the global financial system, underlying all sovereign debt obligations. It may therefore come as a surprise that, until recently, the English courts had not considered certain basic questions: how does one determine a foreign sovereign state's capacity to enter a private law contract under English law?
