Description: Dicionário português-umbundu

Umbundu, or South Mbundu, one of many Bantu languages. It is the most widely spoken autochthonous language of Angola. Its speakers are known as Ovimbundu and are an ethnic group constituting a third of Angola's population. FAVOURITE BOOK OF THE YEAR A WORLD LITERATURE TODAY NOTABLE TRANSLATION OF 2018 In a crumbling apartment block in the Angolan city of Luanda, families work, laugh, scheme, and get by. In the middle of it all is the melancholic Odonato, nostalgic for the country of his youth and searching for his lost son. As his hope drains away and as the city outside his doors changes beyond all recognition, Odonato's flesh becomes transparent and his body increasingly weightless. A captivating blend of magical realism, scathing political satire, tender comedy, and literary experimentation, *Transparent City* offers a gripping and joyful portrait of urban Africa quite unlike any before yet published in English, and places Ondjaki, indisputably, among the continent's most accomplished writers.
