This is the primary supplement to Milady's Standard Professional Barbering. The Exam Review contains chapter-by-chapter questions in a multiple-choice format to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas.

Milady's Standard Professional Barbering, Spanish edition provides students with all of the tools needed to prepare for state licensing exams and successful careers in the professional market. This latest revision includes a new categorical chapter layout designed for the sequential presentation of procedures and theoretical content. Full color photos and illustrations replace the line drawing illustrations of previous editions for better clarity of procedures and to provide students with accurate visual representations. New to this edition are chapter key terms and chapter glossaries, which reinforce important terminology and concepts and provide students with easy access to definitions. Procedure photos for mannequin and model work show step-by-step procedures for practice and actual hands-on services. In addition, this revised text includes more cuts and procedures to demonstrate the diversity and application of barbering techniques. New material has been added to provide students with a better historical presentation of the profession, and updated material in the science areas has been added to keep this textbook the most current available. Endorsed by Barbers International, Inc. www.BarbersInternational.com

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady's Standard Professional barbering is the primary resource for Barbering students preparing for their state licensing exam and a successful career in the professional market. It is the only textbook available that offers an integrated set of supplements to enhance the teaching and learning process. This new edition is the most stunning and versatile barbering education tool in the industry. Packed with hundreds of brand new full-color photos and procedures, students will be provided with the latest in infection control, hair replacement technologies, career preparation instruction and step-by-step shaving. Milady has been the trusted choice of Barbering educators for nearly sixty years and this new edition continues that trend with in-depth and engaging coverage of the most current topics in the profession. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady Standard Nail Technology, 7th Edition is packed with new and updated information on several important topics including infection control, manicuring, pedicuring, chemistry, UV gels, and the salon business. Brand new procedural photography enhances step-by-step instructions for the student. Also included, is a new "Why Study?" section at the beginning of each chapter, outlining the importance of understanding the concepts presented. Chapter objectives have also been revised to provide students and instructors with measurable, outcomes-based goals that can later be assessed using the end-of-chapter review questions. This latest edition of Milady Standard Nail Technology gives the aspiring nail technician the tools they need to launch themselves into a rewarding and successful career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady is proud to introduce an all-new Anatomy and Physiology reference designed specifically for the massage therapist and massage therapy student. This reference includes comprehensive coverage of the various body systems as well as brief descriptions of each system to increase understanding of the system's function. This must-have reference for the beauty and wellness student includes cross sections and multiple views of eleven main body systems. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For decades, Milady has been known as the premier source for beauty and wellness education. Now we have taken that reputation one step further with the brand-new Milady Standard Makeup. This cutting-edge addition to the Milady Standard offerings is aimed at anyone and everyone with a passion and desire for becoming a makeup artist or working in the world of makeup. Milady Standard Makeup is a full-color text, packed with more than 800 photos and illustrations, covering everything from anatomy and physiology to color theory, product types and tools. Step-by-step procedures lead the reader through various looks including bridal, prom, and high-fashion applications. Readers will also learn how to create natural looks and deal with particular skin types such as mature and acne-prone skin. Milady Standard Makeup is destined to establish itself as the foundational textbook in its field, essential for every makeup artist with an eye towards success in this rapidly expanding and dynamic industry.
