Fortin Les Ogres De Barback

Some tell of a great city of black jasper which has streets and buildings like any other city but is eternally in mourning, enveloped by perpetual gloom. Some call it Selene, some Vampire City, but the vampires refer to it among themselves by the name of the Sepulchre... To destroy the dreaded vampire lord Otto Goetzi, writer Ann Radcliffe, Merry Bones the Irishman, and Grey Jack her faithful servant, launch an all-out attack on Selene... "We can easily see in Vampire City the ultimate literary ancestor of Buffy the Vampire-Slayer."-Brian Stableford. Paul F'val (1816-1887) was the author of numerous popular swashbuckling novels and one of the fathers of the modern crime thriller. Brian Stableford has published more than fifty novels and two hundred short stories. Vampire City was written in 1867-thirty years before Bram Stoker's Dracula-and is one of three classic vampire stories also available from Black Coat Press.

La vampire by Paul Fval

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The tale of an improbable group of musicians who come together to play their instruments in old Kyoto. The curious cast includes banjo-playing cane-wielding Joe from "Cajun land," his Japanese wife adorned in a floral kimono, their Spanish friends, and a Buddhist monk. The narrated story is followed by recordings of the songs "Sunday in Kyoto" and "1,2,3, ABCD".

All the fiddle tunes on the CD the World's Hottest Fiddlers (C.M.H. Productions 8651; 2002), except one, are transcribed in detail for this book. These fifteen cuts, which include seventeen tunes, incorporate old-time standards such as Sally Ann as played by Kenny Baker, bluegrass standards such as Orange Blossom Special as played by Steve Thomas, Texas swing tunes such as Beaumont Rag as played by Johnny Gimble, and song tunes such as Blue Moon of Kentucky as played by Benny Martin. Other highlights include the complete twin fiddling parts for Benny Martin and Buddy Spicher's Down Yonder, and the twin fiddle parts for Johnny Gimble's Black and White Rag. Eleven other tunes are featured by fiddlers Barbara Lamb, Mike Hartgrove, Glen Duncan, Sonny Mead, Ramona Jones, Paul Warren, and Fiddlin' Red Herron.

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her ʔrst collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

This exclusive folio presents 20 of Ludovico Einaudi's most popular piano works in special arrangements matched to the grade criteria of the major examination boards. Designed as a progressive course for beginner players, Einaudi's pieces have been adapted to make them accessible to students, while retaining their unique beauty. Each piece is preceded by companion exercises which focus on specific techniques or musical ideas present in the work. With a specially written Preface by the composer, this inspirational collection brings the joy of playing Einaudi's music to beginner pianists.

Twenty songs presented as individual pieces of sheet music; music sheets, packaged in a hard-bound folio; includes a guide to sheet music symbols by Bettie Ross; also features full-color illustrations from some of the finest artists working currently.
