Nursing fundamentals is a
class required by most
nursing programs that
nursing students take during
the first semester of
nursing school. This class
is also known as nursing
foundations, depending on
what your nursing program
calls it. Many nursing
programs split this class

into a lecture (which is attended throughout the semester) and then a skills lab and clinical site.

How to Study for Nursing Fundamentals in Nursing School

Expertise in nursing is a result of knowledge and clinical experience. The expertise required to interpret clinical situations and make clinical judgments is the essence of nursing care and the basis for advancing nursing practice and nursing science (Benner et al., 2010).
