An engaging, balanced, and
penetrating narrative biography of
the charismatic eighteenth-century
American evangelist In the years prior
to the American Revolution, George
Whitefield was the most famous man
in the colonies. Thomas Kidd's
fascinating new biography explores
the extraordinary career of the most
influential figure in the first
generation of Anglo-American
evangelical Christianity, examining
his sometimes troubling stands on
the pressing issues of the day, both

Get Free George Whitefield Americas Spiril Founding

secular and spiritual, and his relationships with such famous contemporaries as Benjamin Franklin, Jonathan Edwards, and John Wesley. Based on the author's comprehensive studies of Whitefield's original sermons, journals, and letters, this excellent history chronicles the phenomenal rise of the trailblazer of the Great Awakening. Whitefield's leadership role among the new evangelicals of the eighteenth century and his many religious disputes are meticulously covered, as are his major legacies and the permanent marks he left on evangelical Christian faith. It is arguably the most balanced biography to date of a controversial religious leader who, though relatively unknown three hundred years after his birth, was a true giant

in his day and remains an important figure in America's history.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down

(politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

In the first comprehensive history of American evangelicalism to appear in a generation, Matthew Sutton shows how charismatic Protestant preachers, anticipating the end of the world, paradoxically transformed it. Narrating the story from the perspective of the faithful, he shows how apocalyptic thinking influences the American mainstream today.

Presents a critical analysis of the Founding Fathers' original intentions that argues that America is a nation bound by a radical and unprecedented idea about liberty and

Get Free George Whitefield Americas Spiril Founding

freedom that must be upheld by every citizen.

Now revised and expanded for the first time in more than thirty years, this classic will now be available for a new generation of readers.

* Winner of the 2017 National Book Critics Circle Award * National Book Award Finalist * Time magazine Top 10 Nonfiction Book of the Year * New York Times Notable Book * Publishers Weekly Best Books of 2017 This “ epic history ” (The Boston Globe) from Pulitzer Prize-winning historian Frances FitzGerald is the first to tell the powerful, dramatic story of the Evangelical movement in America—from the Puritan era to the 2016 election. “ We have long needed a fair-minded overview of this

Get Free George Whitefield Americas Spiril Founding

Vitally important religious sensibility, and FitzGerald has now provided it ” (The New York Times Book Review). The evangelical movement began in the revivals of the eighteenth and nineteenth centuries, known in America as the Great Awakenings. A populist rebellion against the established churches, it became the dominant religious force in the country. During the nineteenth century white evangelicals split apart, first North versus South, and then, modernist versus fundamentalist. After World War II, Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent, but the civil rights movement and the social revolution of the sixties drove them apart again. By the 1980s Jerry Falwell and other southern televangelists, such as Pat Robertson,

Get Free George Whitefield Americas Spiril Founding

had formed the Christian right. Protesting abortion and gay rights, they led the South into the Republican Party, and for thirty-five years they were the sole voice of evangelicals to be heard nationally. Eventually a younger generation proposed a broader agenda of issues, such as climate change, gender equality, and immigration reform. Evangelicals now constitute twenty-five percent of the American population, but they are no longer monolithic in their politics. They range from Tea Party supporters to social reformers. Still, with the decline of religious faith generally, FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive. “ A well-written, thought-provoking, and deeply researched history that is impressive

Get Free George Whitefield Americas Spiril Founding

for its scope and level of detail ” (The Wall Street Journal). Her “ brilliant book could not have been more timely, more well-researched, more well-written, or more necessary ” (The American Scholar).
