Premchandji is perhaps the most poignant writers of his age. Admit the whole story, there is a prevailing sadness in the book. This is a true account of peasants and their life. The hardships they go through but to say that this is only about that is a great injustice to the book.

Godan, a story of stark realism is Premchand ' s most outstanding work. It is his last completed novel which brings out the realistic interpretation of Indian village society. This is a story of people, hungry and semi starved, yet hopeful and optimistic in the truest spirit of the age it represent.

In Godan, two worlds exist side by side, occasionally touching one another. This is Premchand s last complete novel.

Godaan is one of the most celebrated novels of Munshi Premchand. Set in pre-independence India, the novel captures social and economic conflict in a north Indian village. The story revolves around Horiram, a poor village farmer, and the struggle of his family to survive and maintain their self-respect. Horiram does everything in his capacity to fulfil his sole desire to own a cow, which is considered a farmer's source of wealth and happiness. One of the classics of Indian literature, the book offers an insight into the colonial history of India, captures the ethnic flavour of the Indian villages and also catches the human emotions in all their rawness.

Considerable time has elapsed since these stories were first written, but the universality of Premchand's themes ensures a permanent readership for his work. The Thakur's Well is a searing portrayal of the discrimination and helplessness of the downtrodden, Punishment for Right Conduct explores the very modern dilemma of an upright man faced with corruption, Attraction shows his knowledge of the female psyche, while Kashmiri Apples is a light-hearted expose of the pretensions of the educated middle class.

' His ideas and his contribution to Indian literature were . . . revolutionary ' —The Hindu Divya leads a blissful life within the secure walls of the palace even as the world outside rages with caste politics and religious strife, until one night of pleasure changes her entire world. She gets pregnant only to be spurned by her lover. To preserve her high born family ' s name she leaves her sheltered existence and trudges through life on her own, first as a slave and then as a court dancer. Adversity finally opens her eyes to the truth—a woman of a high family is not free. Only a prostitute is free. Divya decides that, by enslaving her body, she will preserve the freedom of her mind. Set in the first century BC against a background of the conflict for supremacy between Hindu and Buddhist ideologies, Divya is a poignant tale that combines vivid imagination with rich historical details. ' Reminiscent of George Orwell . . . Here too is the biting satire of society as seen through the savage eye of an uncompromising non-conformist ' —Dawn

The Routledge Intermediate Hindi Reader has been specially designed for intermediate and advanced learners of Hindi and comprises a broad selection of graded readings.
