~~Writing a personal statement for a sixth form college application may feel daunting at first, but you'll easily nail it if you follow these steps. Most sixth form and college application forms include a section where you write something about yourself. It could just be a few lines or, more scarily, a large empty space with no word limit.~~

~~Tips for writing your sixth form college application----~~

~~Before writing the letter, the applicant should learn and follow the college or university's requirements for an application letter. If the applicant is planning to send application letters to several colleges, he or she needs to follow the requirements of each college. There is no one-size-fits-all for this type of letter.~~

~~Writing a Simple College Application Letter—(with----~~

~~The essay portion of your college application helps an admissions department get to know you better. Prospective schools are interested in your goals and expectations, what you can bring to the college, and how you see the world around you. An essay also demonstrates your writing ability, a key skill for college success.~~

~~College Applications Essay Guide | BestColleges~~

~~The first step in how to write a college essay is figuring out what you actually need to do. Although many schools are now on the Common App, some very popular colleges, including University of Texas and University of California, still have their own applications and writing requirements.~~
