Its funny, last year, my ol' man said he wanted to hug a sloth for his birthday...we called the zoo and they said NO because apparently they have a tendency to be aggressive. So when I saw this, not only did I laugh a little to myself, but I ordered it. Knowing full and well he would love it...and he did.

When the speediest family in the world finds a sweet, slow sloth on their doorstep, they take him in. But, little do they know, their new pet has quite a bit to teach them. For Amy's family, there simply aren't enough hours in the day to get everything done. Mom rushes through her work. Dad rushes through his chores. Even little Amy rushes through dinner. But Sloth does things slowly. He likes to take long, leisurely baths with lots and lots of bubbles. He plays drawn-out, imaginative games. He eats his food slowly, enjoying one small bite at a time. After a few weeks of caring for their new pet, Amy's family finds that they actually do have enough time to tell one another stories or go for long walks together after dinner—so long as they stop rushing around so much. The Sloth Who Slowed Us Down is a

Sundown is near, and it's almost time for the Seder to begin-- but where is Pippa's special Passover plate? Pippa the Mouse has been working hard all day-- cleaning her house, setting the table, cooking the meal. Everything looks great-- but her special Seder plate is missing! Searching through her tiny house turns up nothing, so Pippa ventures out to ask her neighbors if they can help. Bravely, she asks the other animals for help, but the snake, owl, and cat haven't seen her plate, either. But it's almost time for the Seder to begin, so she keeps looking-- and when she finds it, she invites all the other animals home to join her celebration. A charming story with a happy ending, Pippa's Passover Plate pairs simple, rhyming text with bright paintings by Jill Weber, illustrator of *The Story of Passover* and *The Story of Esther*. In bravely facing her animal neighbors, this adorable little mouse finds not only her missing Seder plate-- but new friends. Filled with rhymes and repetition, this is a perfect title to share and read aloud, just in time for your own Passover festivities. A final spread with Pippa and her guests getting ready to hide the matzo and celebrate also shows the Passover plate with its six essential symbolic items: zeroah (a roasted bone), beitzah,(an egg), maror and charoset (bitter herbs), chazeret (mortar or paste),

and karpas (a spring vegetable).

Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters. All she wants is peace--but the sins of her father haunt her. He ruled the sector as a petty tyrant before the O'Kane takeover, and plenty of people harbor bitter memories of his cruelty. Especially now that Tatiana's beloved baby sister has fallen in with a man who wants to start a revolution. Zane failed his boss once, and it won't happen again. So when Dallas O'Kane asks him to defuse the rebellion brewing in the sector, he'll do whatever it takes to get the job done--including seduce Tatiana. It's the perfect opportunity to get closer to the pretty crafter and complete his mission. But what he discovers is a fiery, passionate woman--and an affair that could destroy them both.

Everyone needs hugs, even if they're prickly. When Hedgehog wakes up feeling down in the snout and droopy in the prickles, he knows a hug will make him feel much better. But none of his animal friends are eager to wrap their arms around Hedgehog's prickles, and he's too smart to fall for Fox's sly offer. Then Hedgehog gets a surprise: Another animal in the forest is feeling exactly the same way. Luckily, both are kind and brave enough for the perfect hug.
