Robert B. Parker is a master at what he does (or did), and Joe Mantegna is likewise a master of what he still does, thank goodness. This book takes Spenser to Lamar, Georgia, where he gets immersed in a murder whodunit and also gets a large dose of Southern Hospitality, something of an oxymoron. The plot moves along nicely, and once again Parker throws red herring after red herring. You just ...

**Hugger Mugger by Parker, Robert B - Amazon.ae**

About Hugger Mugger "It's easy to see why Parker's snappy banter and cynical eye have kept fans turning pages for 25 years... his wisecracks, combined with Parker's shorthand flair for scathing characterization, make for a satisfying read," said Entertainment Weekly of last year's Hush Money.

**Hugger Mugger by Robert B. Parker: 9780425179550 ...**

Spenser goes to Georgia to protect Hugger Mugger, a two-year-old destined to become the next Secretariat. Disregarding the resentment of the local Georgia law enforcement, he takes the case. Despite the veneer of civility, Spenser encounters tensions beneath the surface old boy bonhomie.

Teenage boy, 17, is shot dead in Flatbush, Brooklyn five days after his birthday in botched robbery three miles from his home in Sunset Park. Derek Trucios, 17, was killed in a botched robbery in ...

Boston private detective Spenser journeys to Georgia to protect a young horse after he is hired by Walter Clive, the president of Three Fillies Stables, to uncover the creep who is threatening his prize horse, Hugger Mugger. Reprint.

In Robert B. Parker's most popular series, an unsolved thirty-year-old-murder draws the victim's daughter out of the shadows for overdue justice-and lures Spenser into his own past, old crimes, and dangerous lives.

Ellis Alves is no angel. But his lawyer says he was framed for the murder of college student Melissa Henderson...and asks Spenser for help. From Boston's back streets to Manhattan's elite, Spenser and Hawk search for suspects, including Melissa's rich-kid, tennis-star boyfriend. But when a man with a .22 puts Spenser in a coma, the hope for justice may die with him...

One of Boston's elite has been murdered. The accused is his new wife. She's blonde, beautiful, and young. The jury's going to hate her. With next-to-no alibi, and multi-million reasons to kill her husband, she needs the best defense money can buy. His name is Spenser, and he'd give anything to believe her.

When Susan's ex-husband, Brad, appears after a decades-long absence, nearly broke and the object of a sexual-harassment suit, Spenser reluctantly agrees to help. As he investigates the circumstances surrounding the suit, he discovers that fund-raiser Brad is swimming in very deep water: mobsters, who were using his fund-raising campaigns to launder money, have discovered he was cooking the already cooked books and aren't at all pleased. The deeper Spenser digs, the more bodies he uncovers and the more culpable Brad appears to be. 'Robert B Parker's Spenser is one of the best private detectives in fiction' - Sunday Telegraph

Susan's letter came from California: Hand was in jail, and she was on the run. Twenty-four hours later, Hawk is free, because Spenser has sprung him loose—for a brutal cross-country journey back to the East Coast. Now the two men are on a violent ride to find the woman Spenser loves, the man who took her, and the shocking reason so many people had to die. . . . Praise for A Catskill Eagle "Entertaining."—The San Diego Union-Tribune "His best mystery novel."—Time

Investigating allegations of lewd conduct on the part of the local junior high principal, police chief Jesse Stone finds efforts to bring the woman to justice thwarted by a high-powered attorney, a case that is further complicated by the activities of a twisted voyeur. 300,000 first printing.

Even before he was named Grand Master for Lifetime Achievement by the Mystery Writers of America, Edgar® Award-winning author Robert B. Parker had assumed the mantle of dean of American crime fiction. "Taking his place beside Dashiell Hammett, Raymond Chandler, and Ross MacDonald" (The Boston Globe), Parker has transcended the conventions of the crime genre. As one of the most popular and prolific writers in the world, he has reinvented crime writing with his inimitable style and unforgettable characters. Now discover everything about everything that is Robert B. Parker: • Comprehensive biography of Robert B. Parker • Inside the Spenser novels • All about the Jesse Stone and Sunny Randall novels • Parker's stand-alone fiction • Complete cast of characters • Spenser on film • Robert B. Parker's Boston—locales, crime scenes, and maps • Memorable quotes • Inclusive bibliography Plus, an exclusive and insightful new interview with Robert B. Parker.

Boston P.I. Sunny Randall goes on the road to protect a bestselling author—and uncovers a world of dark secrets—in the new novel by the Grand Master. Melanie Joan Hall is a bestselling author in a bind. Her publisher needs her to tour on behalf of her latest blockbuster, and Melanie Joan needs a bodyguard-cum-escort to protect her from an overbearing ex-husband whose presence unnerves her to the point of hysteria. Sunny's cool demeanor, cop background, and P.I. smarts are an instant balm for the older woman. Sunny begins to sense that Melanie Joan's ex—a psychotherapist—is not your basic stalker, and when an incident at a book signing leaves the ex bloodied and the author unconscious, it's clear the stakes are high. Having decided that the only way to crack the case is from the inside, Sunny enters therapy, only to discover some disturbing truths about herself. . . . while putting her life on the line. Gripping, nuanced, and filled with Parker's signature dialogue and psychological insight, Shrink Rap is a winner.
