poignant lyrics of JJ Heller's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent's presence and God's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

A true-adventure, coming-of-age tale set in the exhilarating first wave of Beatlemania ... It's 1964, and 16-year-old Janice is struggling in a grim foster home in Cleveland when she falls suddenly, deeply in love ... with the Beatles. They and their music stir in her an ecstatic new sense of freedom. With a friend, she hatches a bold plan to escape their dreary lives and run away to London to meet the Fab Four. On their own for the first time—in "Beatleland"—they explore a new city, a new culture, and a new life, visiting the hippest clubs of Soho, meeting some nice English boys, hitchhiking to Liverpool ... But unbeknownst to them, the runaways have become international news—and a hunt is on. Adventure and newfound freedom end abruptly when Janice is apprehended by London police and hauled home to Cleveland and an unforgiving juvenile justice system. Warned by responsible adults to put it all behind her, she doesn't speak of her extraordinary adventure for more than fifty years. In this memoir, she looks back with fresh insight on the heady early days of Beatlemania and an era in America when young women exercising some control over their lives presented a serious threat to adult society.

This sweet picture book celebrates the unbreakable bond of a parent's support for a child through life's milestones, from learning to walk to the first day of school and all the highs and lows in between. From the night you arrive to your first night away, from learning to crawl to healing a broken heart, and for all the highs and lows in between. . . through every season, every challenge, and every joy, you are loved. With sweet, lyrical text and stunning art, I'll Hold Your Hand celebrates the unbreakable bond of family, and all the ways our actions can say "I love you" louder than words.

A survey of the significant body of recorded works by the Beatles that were not released includes discussions on an array of live concert performances, home demo recordings, studio outtakes, and more, in a chronologically arranged volume that includes coverage of unreleased video footage. The very first Beatles single to reach #1 on the American charts. Here's an effective and hard-hitting arrangement for younger bands by John Higgins.

A complete and fascinating chronicle of Beatles music and history, *Beatlesongs* details the growth, evolution, and dissolution of the most influential group of our time. Drawing together information from sources that include interviews, insider accounts, magazines, and news wire services, this is a complete profile of every Beatles song ever written -- from recording details such as who played which instruments and sang what harmonies to how each song fared on the charts and how other musicians and critics felt about it. Chronologically arranged by U.K. release date, *Beatlesongs* nails down dates, places, participants, and other intriguing facts in a truly remarkable portrait of the Liverpudlian legends. Behind each song is a story -- like Paul's criticism of George's guitar playing during the Rubber Soul sessions, John's acid trip during the Sgt. Pepper's session, and the selection process for the Revolver album cover. And carefully examined along the way are the Beatles' evolving musical talents, their stormy private lives, and their successful -- and unsuccessful -- collaborations. *Beatlesongs* is truly an inside look at the Fab Four and a treasure for all their fans.

(Super Easy Songbook). It's super easy! This series features accessible arrangements for piano, with simple right-hand melody, letter names inside each note, and basic left-hand chord diagrams. This edition includes 60 Beatles favorites: Across the Universe * All You Need Is Love * Blackbird * Come Together * Eight Days a Week * Eleanor Rigby * Get Back * Good Day Sunshine * A Hard Day's Night * Help! * Here Comes the Sun * Hey Jude * I Saw Her Standing There * I Want to Hold Your Hand * If I Fell * Let It Be * Michelle * Nowhere Man * Penny Lane * Revolution * Something * Ticket to Ride * We Can Work It Out * Yesterday * and many more.
