The Admission Test Series prepares students for entrance examinations into college, graduate and professional school as well as candidates for professional certification and licensure. The Certified and Registered Central Service Technician (CRCST) Passbook(R) prepares you by sharpening the skills and abilities necessary to succeed on your upcoming entrance exam. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: cleaning, decontamination and disinfection; preparation and packaging; sterilization; medical equipment; documents and records; and more.

Here's a close-up look at more than 800 cutting, clamping, grasping, retracting, and other surgical instruments. Full-color photographs of the individual surgical instruments and their tips help you learn to distinguish among them.

Designed for the Certifying Central Sterile Supply Technologist. Our program is a comprehensive, interactive question data base designed from actual examination questions to both test your knowledge and to direct your studies towards critical Central Supply Technologist Certification Examination must know information. Our team of medical professionals have put together several series of test questions in all formats that you as a potential student will best learn from, with the tests ranging from simple terminology to the more advanced technical aspects of your career.

Imagine if you could have all of the practice you need in one guide and score very high on the CMSRN exam. This Medical Surgical Nursing guide combines theory and practice questions so that students are fully prepared before writing the exam. While other guides only provide 100 questions, this guide has 450 questions along with answer explanations. Click on "preview" on the book cover image to see the Table of Contents and you will agree that this guide stands out from the rest. About Newstone Test Prep Newstone Test Prep provides students with up-to-date test questions so that they are well prepared before taking the exam. We take pride in our guides because they combine both theory and test questions. At Newstone Test Prep, we do not just compile test questions; we compile the same number of questions as the real exams, in the same format. This has been a great help for past students because they were able to simulate the real exam while studying. Thousands of students have scored higher on their exams after using our study guides. You will too. Order your copy today while stock is available.

"Inspecting Surgical Instruments, An Illustrated Guide, authored by Rick Schultz, President and Chief Executive Officer of Spectrum Surgical Instruments Corp. is a useful text book for healthcare professionals. The fully illustrated book contains over 250 detailed color photos. The book serves as a valuable resource for healthcare professionals, including, surgeons, operating room nurses, surgical technologists, sterile processing professionals, and veterinarians. In addition to the inspection process, the book covers the surgical instrument repair process, testing standards, instrument handling tips and more. Mr. Schultz is a lecturer, inventor, and leading educator in the surgical instrument field and has been President and Chief Executive Officer of Spectrum Surgical Instruments since acquiring the company in 1986. The company, located in Stow, OH offers surgical instruments and surgical instrument repair services." - product description.
