In 1997, Volvo launched the new Volvo VN truck
tractor series. So there was a Volvo VNL tractor and
its twin VNM. The cars are assembled on the basis of
previous developments of the Volvo branch in the USA
and the proven wheelbase FH12. The attempt to
integrate European standards into American designs led
to success, and VN tractors are still one of the most
recognizable cars in North American ...

Volvo C30 The Volvo C30 is a compact car by Volvo
Cars which was introduced in 2006. This car is
available only as a three-door hatchback version. It is
powered by inline-four and straight-five engines, it is
available with various petrol and diesel engines, and
both manual and automatic transmission styles were
produced.
