Need help with Big 4 Interview Questions? The most important part of the big 4 interview process
is...confidence. How can you get confidence? You can gain access to the questions that you will be
asked, and you can also learn how to answer those questions. Imagine walking into a big 4 interview and
knowing the type of questions that you will be asked and how to answer them? Wouldn't that feel amazing?
That what the Big 4 Interview Questions book offers. Blow the big 4 recruiters and big 4 partners that
you interview with away with your confidence and knowledge after you read this book. We've made the
questions in our interview book so thorough so that you won't stumble on any questions on your big 4
interviews. Brought to you by the team behind the Amazon ebook -- The Big 4 Accounting Firms Recruiting
Guide We are a team of Certified Public Accountants ("CPA's") who work at the Big Four
(Pricewaterhousecoopers, KPMG, Ernst & Young or Deloitte). We all have at least 8 years of Big 4
experience. This book offers: ? questions that you can ask your big 4 recruiter ? questions that you can
ask your big 4 partner ? a free resume template at the end of the book. ? over 30 interview questions
and answers to help you get ready This book will help you shed your fear of not having enough knowledge
about the big 4 interview process and how the big 4 operate. You don't need to know every single thing
about how the big 4 operate, but we focus you in on the key simple areas that will 10X your chances of
being one of the top big 4 candidates. The format of the book is to first provide you with the question
that will be asked in the interview. Then we provide the reason around why the big 4 ask that question.
Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we
formatted the book this way is to help you understand the types of questions that you will be asked and
why you are being asked those questions. There are too many times where I have interviewed candidates,

"What are your weaknesses?" is the most commonly asked interview question but what's common does not necessarily mean to be simple. Neither can you tell your weakness nor can you say that you suffer with none. So what to say when nothing seems correct and certainly you can't leave it unanswered. This book brings together all such questions, which are specifically made to trick a candidate into a rejection, yes, a rejection. Interview is a process of elimination or rejection and not selection. An interviewer keeps rejecting until he reaches the best candidate available. But how does he do that? The answer is simple i.e. through a series of organized questions which are created after psychological and real life research and experience and trust me; no matter how good you are, if you are not prepared for each of these questions before meeting your recruiter, 95% chances are you won't be able to make it. In order to make it to your dream job, one must not only know what to say but more importantly, must also know what not to say. This book equips you with the technique to handle such questions with ease and show your recruiter that you are prepared for any challenge whatsoever. Every question is explained according to the expectation of recruiter, and the message a recruiter perceives from the wrong or improper answers along with sample answer from real life interview scenarios.
