Language and Translation in Postcolonial Literatures

In current theoretical discourse, then, to speak of postcolonial translation is little short of tautology.

---

Postcolonial Translation Theory | Literary Theory and ...

It is argued that while postcolonial translation theories show some tendencies to break away from 'the language myth' inherent in colonial translation i.e. a supposition of pre-given language codes for translation to take place between (Harris, 2011a), demythologization is never the postcolonialists' primary concern nor achievement, who still ultimately rely on the language myth and its entailments to serve political ends.

Postcolonial translation theories and the language myth ...

This collection gathers together a stellar group of contributors offering innovative perspectives on the issues of language and translation in postcolonial studies. In a world where bi- and multilingualism have become quite normal, this volume identifies a gap in the critical apparatus in postcolonial studies in order to read cultural texts emerging out of multilingual contexts.

them more widely, their creative efforts have been more often directed towards 'adaptation', to producing new works of literature that acknowledge classical works as part of their genesis but then rewrite them.

---

## Postcolonial translation: theory and practice

Language is often a central question in postcolonial studies. During colonization, colonizers usually imposed or encouraged the dominance of their native language onto the peoples they colonized, even forbidding natives to speak their mother tongues.

Language and Translation in Postcolonial Literatures ...

In Bassnett and Trivedi's words, "colonialism and translation [go] hand in hand" (1999, 3). Cheyfitz argues that translation has been "the central act of European colonization and imperialism in America" (as cited in Bassnett and Trivedi 1999, 3). Today the close relation between translation and colonialism is more strongly recognized.
