process that is unprecedented in Canadian College Publishing. The result is a highly market driven text that responds to the evolving needs of today's classroom. The text's hallmarks; readability, superior problem material and high production value; have been expanded and improved, reflecting extensive user and reviewer feedback. With a sole proprietor focus, the text patiently brings the student into the accounting cycle and the key financial statements, with an appreciation for the role and importance of the accounting function stressed throughout. The 10 c/e is available in 3 volumes, or in a hardbound financial accounting version.

Larson Fundamental Accounting Principles is the market leader in Canada due to its focus on innovation, including market driven development, student-centered content and pedagogy, and innovative technology. Written in a clear and technically accurate manner, the 15th Canadian Edition continues to emphasize student success at its core. A wealth and variety of problem material allows students to build confidence, and provides them with an opportunity to practice and master accounting concepts. New Canadian author, Heidi Dieckmann, conveys dynamic energy and a consistent voice across both Volumes 1&2, by incorporating fresh and exciting real world examples and companies that make accounting even more relevant to today's students. Larson provides a comprehensive set of resources for both instructors and students to support a wide range of teaching and learning.
