Signe Rebolledo to Adam Leonard Ness, 3410 I St., Little Rock ... \$175,000. Christine L. Patrick to Lin Holding, LLC and Lin Real Estate, LLC, 7706 Leawood Blvd., Little Rock, L40, Leawood ...

"Es sábado, es verano y, aunque todavía no lo sabe, todo en la vida de Adam Thorn está a punto de desmoronarse. Quizá finalmente logre encontrar su liberación. Pero no tiene mucho tiempo, porque algo extraordinario y perturbador ha despertado en los confines del lago y se ha puesto en marcha."--Back cover.

In this dramatic short story -- a prequel to the award-winning Chaos Walking Trilogy -- author Patrick Ness gives us the story of Viola's journey to the New World. Whether you're new to Chaos Walking or an established fan, this prequel serves as a fascinating introduction to the series that Publishers Weekly called one of the most important works of young adult science fiction in recent years.

The award-winning Chaos Walking trilogy--consisting of *The Knife of Never Letting Go*, *The Ask and the Answer*, and *Monsters of Men*— is now available in its entirety in this e-book collection! Find out why *The Sunday Times* called Chaos Walking “remarkable” and why Publishers Weekly described the series as “one of the most important works of young adult science fiction in recent years.”

Inspired by Judy Blume's *Forever* and Virginia Woolf's *Mrs. Dalloway*, this novel that Andrew Smith calls “beautiful, enchanting, [and] exquisitely written” is a new classic about teenage relationships, self-acceptance—and what happens when the walls we build start coming down. A Kirkus Best Book of 2017! Adam Thorn doesn't know it yet, but today will change his life. Between his religious family, a deeply unpleasant ultimatum from his boss, and his own unrequited love for his sort-of ex, Enzo, it seems as though Adam's life is falling apart. At least he has two people to keep him sane: his new boyfriend (he does love Linus, doesn't he?) and his best friend, Angela. But all day long, old memories and new heartaches come crashing together, throwing Adam's life into chaos. The bindings of his world are coming untied one by one; yet in spite of everything he has to let go, he may also find freedom in the release. From the New York Times bestselling author of *A Monster Calls* comes a raw, darkly funny, and deeply affecting story about the courage it takes to live your truth.

NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

A dystopian thriller follows a boy and girl on the run from a town where all thoughts can be heard - and the passage to manhood embodies a horrible secret. Todd Hewitt is the only boy in a town of men. Ever since the settlers were infected with the Noise germ, Todd can hear everything the men think, and they hear everything he thinks. Todd is just a month away from becoming a man, but in the midst of the cacophony, he knows that the town is hiding something from him -- something so awful Todd is forced to flee with only his dog, whose simple, loyal voice he hears too. With hostile men from the town in pursuit, the two stumble upon a strange and eerily silent creature: a girl. Who is she? Why wasn't she killed by the germ like all the females on New World? Propelled by Todd's gritty narration, readers are in for a white-knuckle journey in which a boy on the cusp of manhood must unlearn everything he knows in order to figure out who he truly is.

The #1 international bestseller reminiscent of *After I'm Gone*, *Sister*, *Before I Go to Sleep*, and *The Silent Wife*—an intricately plotted, thoroughly addictive thriller that introduces a major new voice in suspense fiction—a mesmerizing and powerful novel that will keep you guessing to the very end. No one has ever guessed Emily's secret. Will you? A happy marriage. A beautiful family. A lovely home. So what makes Emily Coleman get up one morning and walk right out of her life—to start again as someone new? Now, Emily has become Cat, working at a hip advertising agency in London and living on the edge with her inseparable new friend, Angel. Cat's buried any trace of her old self so well, no one knows how to find her. But she can't bury the past—or her own memories. And soon, she'll have to face the truth of what she's done—a shocking revelation that may push her one step too far. . . .

La novela más personal y tierna de Patrick Ness, el aclamado autor de *Un monstruo viene a verme*. Este es el día más difícil en la vida de Adam Thorn. Su exnovio, al que todavía quiere, se va para no volver. La

relación con su actual pareja, al que también quiere, peligra gravemente. Su hermano ha dejado a una chica embarazada, sus padres se niegan a aceptar su homosexualidad y, en el trabajo, sufre acoso laboral. Además, un fantasma ha despertado de las profundidades del lago y avanza hacia el pueblo... En los blogs... «Te das cuenta de lo mucho que puede cambiar la vida de una persona en un solo día, en 24 horas.» Javier Ruescas, Youtube

Six starred reviews! A bold and irreverent YA novel that powerfully reminds us that there are many different types of remarkable, *The Rest of Just Live Here* is from novelist Patrick Ness, author of the Carnegie Medal- and Kate Greenaway Medal-winning *A Monster Calls* and the critically acclaimed *Chaos Walking* trilogy. What if you aren't the Chosen One? The one who's supposed to fight the zombies, or the soul-eating ghosts, or whatever the heck this new thing is, with the blue lights and the death? What if you're like Mikey? Who just wants to graduate and go to prom and maybe finally work up the courage to ask Henna out before someone goes and blows up the high school. Again. Because sometimes there are problems bigger than this week's end of the world, and sometimes you just have to find the extraordinary in your ordinary life. Even if your best friend is worshipped by mountain lions.
