~~The CKLA Grade 4 version of Listen, My Children addresses the study of poetry as a genre of literature for many reasons. Not only does the genre allow students to study literary techniques unique to poetry, but it exposes students to deep philosophical thoughts and emotional issues not always present in prose. In this unit, as students read the selected poems, they will focus on literary techniques used in that poetry, such as figurative language, rhyme schemes, metaphor, and repetition.~~

~~Listen Like a piece of music, a poem needs to be lifted off the page, to be spoken and heard. For young children, much of the pleasure is in a poem's sound, while older children often don't mind if they don't fully understand a poem that they hear. Most poems are best encountered first by hearing.~~

~~Listen | Children's Poetry Archive~~

~~It is also a healthy way for children to express their emotions and deal with emotionally challenging situations. Fortunately, there are many famous poems for children. Poets like A. A. Milne and William Blake wrote many poems for children that can inspire them to find their voice and representation through poetry, even from an early age.~~

~~Poetry for children captures the essence of childhood: the fun, the laughter, the hope, and the inquisitive nature of exploring their world. Exposing kids to poetry early is a great way to build reading skills and a love for poetry. Children will learn new words, practice reading aloud with expression, and be exposed to rhymes.~~
