Sprint around the track and get to know Jesse Owens in this fascinating, nonfiction Level 3 Ready-to-Read, part of a new series of biographies about people “ you should meet. ” Meet Jesse Owens, an African American runner who won four gold medals at the 1936 Olympics in Berlin! What made his achievement even more memorable was that Adolph Hitler expected the Olympic Games to be a German showcase. In fact, he criticized the United States for even including black athletes on its Olympic roster. According to many reports, after Owens won his fourth gold medal, Hitler stormed out of the stadium. In 1936 Jesse Owens took a stand against racism and made history. A special section at the back of the book includes extras on subjects like history and math, plus a short article filled with interesting facts about the Olympics. With the You Should Meet series, learning

In this imaginatively illustrated book from the Work It, Girl series, discover how Mae Jemison became the first African American woman in space in this true story of her life. Then, learn 10 key lessons from her work you can apply to your own life. When Mae Jemison was a little girl, she loved science, dancing, and dinosaurs. She watched the Apollo moon landings and wondered why none of the astronauts were women—and she just didn't buy the answers she was given... Work It, Girl is an empowering series of biographies featuring modern women in the world of work, from designers and musicians to CEOs and scientists. Each of these vibrantly illustrated books tells the story of a remarkable woman in 10 chapters that highlight transformative moments in her life, following the ups and downs that
