Narrative of the Life of Frederick Douglass Quotes and ...

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass. It is generally held to be the most famous of a number of narratives written by former slaves during the same period.

In Frederick Douglass' 1845 memoir, the former slave and famous orator, describes the events of his life including the brutal treatment that he experienced and witnessed, at the hand of slave masters. This book is the most famous narrative, told from a former slave during this time period. The memoir is considered to be one of the most influential pieces of literature that fueled the abolitionist movement in the United States.

Published in the bicentenary year of Frederick Douglass's birth and in a Black Lives Matter era, this edition of Narrative of the Life of Frederick Douglass presents new research into his life as an activist and an author. A revolutionary reformer who traveled in Scotland, Ireland, England, and Wales as well as the US, Douglass published many foreign-language editions of his Narrative. While there have been many Douglasses over the decades and even centuries, the Frederick Douglass we need now is no iconic, mythic, or legendary self-made man but a fallible, mortal, and human individual: a husband, father, brother, and son. His rallying cry inspires today's activism: "Agitate! Agitate! Agitate!" Recognizing that Douglass was bought and sold on the northern abolitionist podium no less than on the southern auction block, this edition introduces readers to Douglass's multiple declarations of independence. The Narrative appears alongside his private correspondence as well as the early speeches and writings in which he did justice to the "grim horrors of slavery." This volume also traces Douglass's activism and authorship in the context of the reformist work of his wife, Anna Murray, and of his daughters and sons.

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period.

One of the most important slave narratives ever written, this book lays bare the realities of enslavement in antebellum America.

his escape by shipping himself in a small wooden crate from Virginia to an anti-slavery office in Philadelphia.

This narrative of Frederick Douglass is unabridged, and contains additional annotation at the start of the book. This section aims to give the reader some historical context, and contains a brief History of Slavery in America, and the Abolishment of Slavery. This will help set the stage for the narrative of Frederick Douglass that is to follow. Frederick Douglass was born in slavery as Frederick Augustus Washington Bailey near Easton in Talbot County, Maryland. He was not sure of the exact year of his birth, but he knew that it was 1817 or 1818. As a young boy he was sent to Baltimore, to be a house servant, where he learned to read and write, with the assistance of his master's wife. Later in life he escaped slavery and became an influential social reformer. William Lloyd Garrison, a prominent American abolitionist, heard Douglass speak of his experience in slavery and invited him to speak at the antislavery convention in 1841. Douglass's passion captivated his audience, and following this, the American Anti-slavery Society hired him as a regular lecturer. Frederick went on to become one of America's best-known and most influential abolitionists. His story gained even more prominence when he published the narrative found in this book, "Narrative of the Life of Frederick Douglass. An American Slave. Written by Himself.". This Frederick Douglass narrative outlines his struggle from enslavement and escape to freedom. Frederick published this in 1845, and by 1850 30,000 copies had been sold in the United States and Great Britain. Frederick Douglass' work is particularly moving as he provides a first-hand account of events. As he said, "I can tell you what I have seen with my own eyes, felt on my own person, and know to have occurred in my own neighborhood." Frederick Douglass was an influential figure both in the abolitionist movement and the women's emancipation movement.

One of the greatest works of American autobiography, in a definitive Library of America text: Published seven years after his escape from slavery, Narrative of the Life of Frederick Douglass, an American Slave (1845) is a powerful account of the cruelty and oppression of the Maryland plantation culture into which Frederick Douglass was born. It brought him to the forefront of the antislavery movement and drew thousands, black and white, to the cause. Written in part as a response to skeptics who refused to believe that so articulate an orator could ever have been a slave, the Narrative reveals the eloquence and fierce intelligence that made Douglass a brilliantly effective spokesman for abolition and equal rights, as he shapes an inspiring vision of self-realization in the face of unimaginable odds.

One of the most important slave narratives ever written, this book lays bare the realities of enslavement in antebellum America.
