Pair work You can pair strong with strong, weak with weak, or strong with weak. Perhaps in a very controlled activity, the strong with weak will work well. In a freer activity, perhaps strong with strong will be of benefit.

This text consists of three sections: the first one contains 40 task descriptions for student A, the second one contains an A to Z centre spread of functions with a list of key gambits per function, and

# Read Online Pair Work 1

## Business English Ailianore

the final one contains 40 task descriptions for student B. There will be one task per page comprising of a text and a visual. These exercises should help students to learn to interact in a business environment, through the use of business language and communication skills.

Offers a focal point in lessons integrating the four skills. Gives experienced teachers fresh ideas, and less experienced teachers lots of practical support.

The book also has teacher notes for each activity, an A-Z of language exponents
