Biological Science | 7th edition | Pearson

Here you'll find support for teaching and studying BTEC Higher Nationals in Biological Sciences for Industry (2010). Available at Levels 4 and 5, these specialist vocational qualifications teach learners the key concepts and practical skills for direct progression to, or within, employment.

BTEC Higher Nationals Biological Sciences for Industry ...

Introduction. The processes of diffusion and osmosis account for much of the passive movement of molecules at the cellular level. In this laboratory, you will study some of the basic principles of molecular movement in solution and perform a series of activities to investigate these processes. NOTE: To make the most out of your LabBench experience, review the LabBench Tips.
