Pedro Almodóvar Criticism - Essay - eNotes.com
Although there are familiar tropes in Pedro Almodóvar's films – striking visuals, larger-than-life characters, women at the end of their tether, gender and sexuality issues, a celebration of LGBT lives – it's tricky to guide a novice through his work, as there are so many potential entry points. Almodóvar burst onto the film scene as part of La Movida Madrileña, a cultural explosion that took place in Spain following the death of Franco, when artists took advantage of the new ...

The film is certainly an example of one of Pedro Almodóvar's more feminist-minded films, despite the final conclusion of Gloria "needing a man in the house." In a previous blog entry , I identify a category of "Almodovar-esque female characters" who are "strong yet always the victim; [a] series of women who fall in love with their oppressors and/or captors."
