The noble cause – a commitment to "doing something about bad people" – is a central "ends-based" police ethic that can be corrupted when officers violate the law on behalf of personally held moral values. This book is about the power that police use to do their work and how it can corrupt police at the individual and organizational levels.

Corrupt acts have a number of properties that other immoral actions do not possess, such as 1. corruption involves demonstration of a regular character or habit on the part of the officer; 2. corruption exists when the law is seen as hopelessly inadequate and incurable, such as when guilty offenders go unpunished; and 3. corruption is driven by narrow, personal or collective self-interest, such as the financial gain of a group of employees or the career advancement of employees.

Ethics of Police Officers - LawTeacher.net

conclusion from the most telling analyses of police conduct is that the matter of police corruption is fundamentally one of ethics. That is to say, there will be some generally serious forms of conduct that it is easy to agree should be seen as "corrupt". There are others, however, where much depends on the nature and
