Progress and Poverty: An Inquiry into the Cause of ...

Henry George's first book, Progress and Poverty: An inquiry into the cause of industrial depressions and of increase of want with increase of wealth... The Remedy was self-published in 1879. It went on to become the best-selling book ever on political economy,* and in the 1880s and 1890s was said to be outsold only by the Bible.

Progress and poverty: Henry George's best-selling book

In Progress and Poverty, economist Henry George scrutinizes the connection between population growth and distribution of wealth in the economy of the late nineteenth century. The initial portions of the book are occupied with refuting the demographic theories of Thomas Malthus, who asserted that the vast abundance of goods generated by an economy's growth was spent on food.

Progress and poverty (1881 edition) | Open Library

Progress and Poverty: An Inquiry into the Cause of Industrial Depressions and of Increase of Want with Increase of Wealth: The Remedy is an 1879 book by social theorist and economist Henry George. It is a treatise on the questions of why poverty accompanies economic and technological progress and why economies exhibit a tendency toward cyclical boom and bust. George uses history and deductive logic to argue for a radical solution focusing on the capture of economic rent from natural resource and
