eternal past, planned for mankind to live on the earth and fulfill a great purpose in the eternal future. Bishop Hamon, a pioneer of restoration in the Church, stands firmly on biblical truth as he explores that great purpose: being conformed to the likeness of Jesus. By tracking the eight major reasons God created human beings, Dr. Hamon tackles the hard issues believers face as the highest race in the universe--including the problem of pain. It is only as we understand the process through which God conforms us to the likeness of His Son that we accomplish our highest calling.
