With its real-world business-orientated approach, Business Law has been fully updated in line with the Companies Act 2006, and also streamlined to address the needs of today's student of this fascinating and fast-moving subject. Providing a salient introduction to law in a business context, this is a valuable learning companion.

BPP Learning Media provides the widest range of study materials of any CIMA publisher. Our comprehensive printed materials highlight the areas to focus on for your exams, and our e-Learning products complement the syllabus to improve your understanding.

The Second Edition of BUSINESS LAW: Principles and Cases in the Legal Environment, continues to offer a readable, rigorous, and practical introduction to business law--in a format improved to enhance learning and understanding. With a thorough explanation of the legal and regulatory issues affecting businesses, Davidson and Forsythe utilize outlines, exhibits, questions, and problems to help students get the most out of each chapter. Timely cases and examples conserve the language of the court. A continuous Business Application Case threads throughout the book, providing a hypothetical business environment in which students learn to apply the law. Designed to optimize teaching and learning, BUSINESS LAW: Principles and Cases in the Legal Environment, features: Complete topical coverage in a clear and accessible presentation A continuous hypothetical business model that connects theory and practice A Classic Case and a Contemporary Case example in each chapter Rich pedagogy that includes questions, case problems, and writing assignments Visual aids and exhibits throughout the book that illustrate legal and business concepts A flexible organization that adapts to a wide range of teaching objectives and approaches Updated throughout, the Second Edition provides: The inclusion of recent Supreme Court cases and developments in the law Additional illustrations to visually convey legal concepts and relationships Learning objectives in each chapter to aid study and review

The 47 revised full papers presented together with three invited talks were carefully reviewed and selected from 204 submissions. This program was completed by a demonstration and poster session, in which researchers had the chance to present their latest results and advances in the form of live demos. In addition, the PhD Symposium program included 10 contributions, selected out of 21 submissions. The core tracks of the research conference were complemented with new tracks focusing on linked data; machine learning; mobile web, sensors and semantic streams; natural language processing and information retrieval; reasoning; semantic data management, big data, and scalability; services, APIs, processes and cloud computing; smart cities, urban and geospatial data; trust and privacy; and vocabularies, schemas, and ontologies.

This student-friendly text on Business Law discusses in detail different laws and Acts relating to business, commerce, trade and industry. Divided into six parts, Part I, The Indian Contract Act, 1872 discusses topics such as agreement and contract, offer and acceptance, and consideration. Part II, The Sale of Goods Act, 1930 deals with formation of contract of sale, conditions and warranties, and performance of contract of sale. Part III, The Indian Partnership Act, 1932 explains the nature of partnership and registration and dissolution of a firm. Part IV, The Negotiable Instruments Act, 1881 describes parties to negotiable instruments, presentation of negotiable instruments, and so on. Part V, The Indian Companies Act, 1956 discusses the formation and incorporation of a company and appointment of directors and their legal position. Part VI, General Acts, gives an overview of The Consumer Protection Act, 1986 and The Foreign Exchange Management Act, 2000. The book is intended as a text for the undergraduate students of commerce and postgraduate students of management. Besides, students pursuing professional courses such as CA, ICWA and CS and those appearing for Judicial Services examination will also find the book quite useful. Key Features Cites examples, wherever necessary, to clarify the implication of the law. Illustrates concepts with the help of worked out examples. Furnishes a Glossary on the legal terms used. Cites case laws to make the concepts clear. Supplements the text with pedagogical features such as bird's-eye view to make the book more practical and easy to understand.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Over the last 25 years there has been a considerable increase in the awareness of quality related issues. In the world of business and commerce, this awareness has manifested itself in the development of what was the British Quality Standard BS 5750 into what is now the international standard BS EN ISO 9000. Alongside all of this, consumers in general have developed increasingly demanding expectations with regard to the quality of goods and services available in the market place. During a similar period there has also been an increase in legislation, together with an expansion of the common law, which has strengthened the protection already afforded to the consumer. This book will provide quality practitioners, managers and those with a general interest in quality, with an insight into the legal issues involved. In addition, the book shows how the implementation of a Quality Assurance Management System - such as that required in order to be registered as a firm of assessed capability, in accordance with BS EN ISO 9000 - can act as an aid to businesses seeking to comply with their legal obligations. In addition, for those following a formal course of study, the contents will prove to be particularly useful to students undertaking the Institute of Quality Assurance's Associate Membership examination: Principles and Techniques of Quality Assurance.

Gain a strong understanding of business law as it's practiced today with the comprehensive, yet clear, approach found in today's number one business law resource with summarized cases: ANDERSON'S BUSINESS LAW & THE LEGAL ENVIRONMENT, COMPREHENSIVE VOLUME, 24E. This reader-friendly approach helps you grasp legal concepts and principles without overwhelming detail. You examine the latest developments in law today with new cases as recent as 2020 and examples drawn from current headlines. In addition to summarized cases, numerous examples of today's real legal dilemmas, meaningful applications and interesting learning features emphasize the relevance of what you are learning. You examine legal concepts within the context of real life with examples such as rapper 50 Cent's bankruptcy, Netflix's battle with Hollywood and popular online retailer Wayfair's legal battles. In addition, clearly identified content helps you prepare for the current CPA exam. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
