A sober account of Russian foreign policy 1991-2011, viewed primarily through the lens of Realism and Constructivism. I'm glad this came out in 2012, seeing as this nuanced analysis of Russian actions and motives vis-à-vis both its neighbours and NATO probably couldn't have been published today. That said, there's nothing in here that refuting the possibility of Russia going as far as ...

This has brought a balance to Russian foreign policy, though for the time being it is unstable. On one hand, heightened interest in the East was a consequence of the rise of Asia as the global center of the world economy and politics. On the other hand, Moscow was obliged to acknowledge the weakness and vulnerability of its geopolitical and geoeconomic position in the east of the country. With ...
