All Sharp products have a model number stated on them, some in more than one place. The model number can be found on the original box the item was purchased in, on the product manual, and

# Download Ebook Sharp Manuals

on the product in the locations described below. All products state "Model:" followed by the model number. Helpful tip: For convenience, if you have a digital camera or smart phone, you may want to take

# Download Ebook Sharp Manuals

a digital photo of the model number.
