2 4 Blank Sticker Book 8 X

The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in “low-poly,” a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and

Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker Kids book includes everything you need to
