A Content Strategy Process Model The first two steps in the strategy and implementation phases typically unfold as projects, one-time efforts to discover and formulate your content plan and to design and build your content operation. For most ventures, the governance and publishing stages make up your ongoing, day-to-day content operations.

~~A Content Strategy Process Model: how content strategy works~~

"The strategy context is the set of circumstances surrounding strategy making - the conditions under which both the strategy process and the strategy content are formed.

~~Strategy - Purpose, Context, Process & Content. A~~ ...

The strategic management process means defining the organization's strategy. It is also defined as the process by which managers make a choice of a set of strategies for the organization that will enable it to achieve better performance. Strategic management is a continuous process that appraises the business and industries in which the organization is involved; appraises it's competitors; and fixes goals to meet all the present and future competitor's and then reassesses each strategy.

~~Strategic Management Process - Meaning, its Steps and~~ ...

The traditional distinction between strategy process and strategy content has perhaps limited the ability of strategic management research to explain the determinants of organizational performance. In addition, empirical attention needs to be paid to the role of the context within which strategy is formed.

Moreover, the members of the strategy team could already see that demonstrating the channel's significant potential to the top team would be straightforward. Before doing that, however, they stepped back to spend some time thinking through the idea's broader strategic context--framing, in other words.
