In the summer of 1856, three companies of handcarts were outfitted and sent west from Iowa to the Valley of the Great Salt Lake. All went well, and they arrived without undue incident. But two additional companies - one captained by James G. Willie, and the other by Edward Martin - left England late in the season. Whey they arrived at Iowa City, they were long past the time for safe departure across the plains. By the time they left Florence, Nebraska, with still more than a thousand miles to go, it was near the end of August. As if that were not serious enough, President Brigham Young thought that the arrival of the third company ended the migration for that season and ordered the resupply wagons back to Salt Lake. *Fire of the Covenant* is the story of those handcart pioneers and their exodus to the Salt Lake Valley. Author Gerald N. Lund has used the same techniques present in *The Work* and the *Glory* series to blend fictional characters into the tapestry of actual historical events, making this a story filled with all the elements of great drama - tragedy, triumph, pathos, courage, sacrifice, surrender and faith.

From London to Corsica to Paris -- as a young woman pursues the truth about her late mother, two captivating love stories unfurl in this captivating novel from the author of *The Guest List*. When her grandmother falls ill and bequeaths to Kate a small portrait of a woman who bears a striking resemblance to Kate's mother, Kate uncovers a mystery that may upend everything she thought she knew. Kate's journey to find the true identity of the woman in the portrait takes her to some of the world's most iconic and indulgent locales, revealing a love story that began in the wild 1920s and was disrupted by war and could now spark new love for Kate. Alternating between Kate's present-day hunt and voices from the past, *The Book of Lost and Found* casts light on family secrets and love -- both lost and found.

Brad Kennison is a returned missionary and a Vietnam vet looking for direction in his life. He makes a journey to Israel in the summer of 1973, at the height of the uneasy days leading up to the Yom Kippur War. Accompanying him through the Holy Land is Miri Shadmi, a fiery Israeli committed to the political survival of her state and scornful of Americans like Brad. With Miri as his reluctant guide, Brad feels the spiritual impact of the Garden of Gethsemane, relives the tragedies of the Holocaust at Yad Vashem, and visits Israel's monument to freedom, Masada. Along the way, the two battle about politics and religion and brave a run-in with Arab terrorists at a remote kibbutz. Rivalry soon gives way to romance, and both are forced to examine their commitment to faith, family and country.
