Backstage (Barter System, Book #4) by Shayne McClendon Tomes Rating: 5 Stars Tissues Rating: 3 Boxes Review: The wait is finally over. Shayne McClendon has released Backstage and it was a perfect performance. Backstage is divided into sections with each 'act' developing the story of a specific character. Bri, from Barter System and Hudson ...

Backstage: The Barter System eBook: Shayne McClendon ...

This is the latest book in Shayne McClendon's The Barter System series. You get to catch up on Riya, Tawny & the rest of the gang, but finally Brie gets her own story. I dare anyone to read this and not giggle, sigh and shed tears during it. Officially (at the moment) this is the last in the series, but hoping for Hollow's story very soon.

Which among these is an essential feature of barter system? (1 Point) Money can easily exchange any commodity It is based on double co-incidence of wants It is generally accepted as a medium of exchange of goods with money It acts as a measure and store of value

Which among these is an essential feature of barter system ...

Shayne McClendon is an indie author most recognized for her premiere novel "The Barter System." Also set in "The Barter System" world are "Hudson" (book two), "Pushing the Envelope" (book three), "Backstage" (book four), "Liberation (book five), and newly released "Radiance" (book six).

Brand new erotic print edition with 50K additional words and exclusive extras! Research might be work...but that doesn't mean you can't enjoy it. Riya O'Connell goes straight to the source for her dissertation on male sexuality. She sets out on a journey that will take her all over the country...and deep into her own desires. Thirteen thousand applications. Eight chosen men. One woman's heart. They provide information and ensure she reaches her next destination safely. In return, Riya gives them what they want - and helps them discover what they didn't realize they need. Meet the subjects. Push your inhibitions. Experience the passion. Sean (37) Internet Entrepreneur - Florida Victor (31) Fisherman - Georgia Joshua (22) College Student - Texas Lucas (42) Rancher - Montana Ricardo (32) Police Officer - California Bobby (27) Musician - Massachusetts Micah & Max (34) Financiers - New York If you loved the original edition of "The Barter System" - the update is going to absolutely blow you away. Step inside Riya's world right now. Another hot, emotional read by Always the Good Girl, Shayne McClendon NOTE: This story contains explicit sexual scenes and language and is intended for mature audiences only. Do not read this novel if intense sexual situations offend you.

Pushing the Envelope Tawny Ratliff is a loose cannon. She's brash, unpredictable, and always ready to fight. She's also the best friend a person could hope for, keeps an eye on the people she loves, and takes her desire to do good to the next level. Brilliant and devious, Tawny takes you behind the scenes of "The Barter System," to a time when she and her best friend Riya were just kids trying to figure things out like everyone else. Her perspective is unusual, her language is uncouth, but she is never boring. Choice of Subjects This is your behind-the-scenes look at how Riya O'Connell chose the final eight men to participate in her dissertation on male sexuality. It's the true beginning of the epic romance series readers have described as unique, addicting, and sexy as hell. You're going to love these delicious men even more when you get a glimpse behind the curtain...well before Miss O'Connell ever leaves her home in South Florida for the journey that changes her life. If you love "The Barter System," you're going to love learning the story from the beginning! A must-read by Always the Good Girl, Shayne McClendon.

An in-depth guide to making gold a serious part of your portfolio Gold, the long forgotten store of value that was once the center of the global financial system, suddenly matters a great deal again. It has become a leading asset by virtue of its strong performance, and its booming demand has made it the only financial asset that remains in an uninterrupted bull market. And yet gold remains one of the least-owned financial assets in investment portfolios today. Hard Money helps investors move beyond the simple, yet widely accepted notion that gold makes sense in today's financial environment, and explores ways to magnify potential investment returns driven by precious metals. This reliable resource examines the investment vehicles (bullion, stocks, derivatives, and even rare coins) and strategies (aggressive, conservative, passive, and variations) aimed at beating the price of gold as it rises, and ways to protect a portfolio should the metal decline. Identifies five key drivers that should continue to push gold higher in the years ahead Explores the ins and outs of investing in gold and making this precious metal a part of your portfolio Examines the pros and cons of multiple ways to buy gold via coins, ETFs, mining and royalty stocks, and other investment vehicles Author Shayne McGuire is a highly-regarded expert on gold Written in a straightforward and accessible style, Hard Money offers key strategies to enhancing returns with new methods for investing in gold.

The Lang family is going to grab you and not let go. Quiet & Kilted: Zoe Green is a librarian who feels isolated since the accident that left her without the ability to hear. She never expects a man like Nate Lang to notice her...much less sweep her off her feet entirely. Crazy Quiet: Noel Lang has always been a wild card. She roars back at a world that tries to exclude her due to her deafness and doesn't have much patience with men in general. Rick Yates is her brother's best friend and she doesn't expect him to be any different than any of the others...and yet. Extra Quiet: Caroline Lang spent her entire lifetime crafting a calm outer shell to insulate her from the discrimination she experienced as a deaf female. She focuses on raising her children - Nate and Noel - and resigns herself to a life alone. Until William Woodring shakes the foundation of her world and makes her question everything she thought she knew about herself. Never Quiet: Amanda Lang is well acquainted with strong women. Her Aunt Noel and Grandmother Caroline have shown her from birth to be fearless in pursuit of what she wants. Young love is not always the staying kind and while Amanda learns the lesson the hard way, it opens her eyes to greater possibilities that mesh more fully with the woman she's becoming. This collection is your official segue into the "Hollow Universe" and you're going to devour these books. In this Limited Edition Box Set, you receive all four novels (more than 300,000 words) and can read seamlessly from one book to the next. Don't wait another moment! Meet the powerful Lang women, gentle and intellectual Zoe, and the men who pass through their lives for an epic family saga full of action, passion, and love that you won't be able to put down. By purchasing this box set, you're saving more than 50% off the individual print costs per book! About the Author: Shayne McClendon is the author of more than forty published books and over four hundred short stories in multiple genres. She writes emotional romantic fiction as Shayne McClendon, thrilling paranormal romance as Sabrina Rue, and steamy LGBTQ+ erotica as Charlize Rojas.

"The End of Socialism explores the exact nature of the practical difficulties socialism faces and examines how its moral ideals can guide policy"--

Some men insist on being fools. When Addison Hauser gives her heart to her best friend at sixteen, she never expects him to disappear with it. Working the ranch and caring for her father, she doesn't have much time to dwell on the hole he left. Twelve years later, Mack returns to claim her and is quickly reminded why bullies ran from his best friend when she was seven. It isn't going to be easy to get back in her good graces. He's willing to do the work...if he can just keep her from shooting him. Another hot, emotional read from Always the Good Girl, Shayne McClendon. Read the complete "The Great Outdoors" collection: Sunny's Heart Permission to Come Aboard Permission to Land Special Delivery Embrace the Wild

FOR INDIVIDUAL RIGHTS www.forindividualrights.com Approachable by the general reader, this is a must-read book for every human being who wants to know their rights and have them respected, and who embraces the ideal of a peaceful and prosperous future for humanity. Inspired by the vision of John Locke, the Founders of America, and Issac Newton, Shayne Wissler systematically and passionately presents his case for individual rights. Part I begins with the irrefutable foundation of common experience and ends with the pinnacle revelation of how government can actually be based on the consent of the governed. Just as Issac Newton's Three Laws of Motion describe the predictable actions of physical objects, Shayne Wissler's Three Laws of Human Relations describe the peaceful actions of human beings in a sociopolitical context. Part II unleashes a righteous fury of logic, demolishing rights-usurping ideas of all kinds. Part III builds anew, offering ideas for rescuing a culture from the vicious grasp of those who parasitically feed off of the rights of others. This concise and powerful work builds on the best political ideas of the past, and presents a new hope for the future.

"[A] most impressive achievement by an extraordinarily intelligent, courageous, and—that goes without saying—'well-read' mind. The scope of this work is enormous: it provides no less than a comprehensive, historically grounded theory of 'modern peoplehood,' which is Lie's felicitous umbrella term for everything that goes under the names 'race,' 'ethnicity,' and 'nationality.'" Christian Joppke, American Journal of Sociology "Lie's objective is to treat a series of large topics that he sees as related but that are usually treated separately: the social construction of identities, the origins and nature of modern nationalism, the explanation of genocide, and racism. These multiple themes are for him aspects of something he calls 'modern peoplehood.' His mode of demonstration is to review all the alternative explanations for each phenomenon, and to show why each successively is inadequate. His own theses are controversial but he makes a strong case for them. This book should renew debate." Immanuel Wallerstein, Yale University and author of The Decline of American Power: The U.S. in a Chaotic World

Embrace the beauty created by two lost souls clutching to a shred of happiness in a world that doesn't understand them. You're going to love A Different Sort of Love Affair. Portia Fitzsimmons is a talented writer with crippling anxiety that serves as a constant reminder of her troubled past. She's accepted living a quiet existence with a small circle of friends - utterly invisible to the rest of the world. Edgar Schmidt is a brilliant neuroscientist who's retreated into solitude after the accident that changed his life - leaving him paralyzed from the waist down. Their story begins as a fascinating conversation in a quiet library at a party neither of them wish to attend. Portia and Edgar aren't prepared for the feelings that develop as they get to know each other but realize they can't allow what might be their only chance at happiness slip away. A dramatic classical romance by Always the Good Girl, Shayne McClendon

Love & Live Fearlessly reveals a set of practical and simply brilliant principles that you can add to your daily life to banish negative thoughts, overcome fear, and win back your sanity from stress, anxiety, unhappiness, and exhaustion. Shayne McClendon's life has been anything but normal. She's an abuse survivor, a mother, a small business owner, and she made it through three divorces. She's overcome pain, heartbreak, financial ruin, and loneliness to create a new life - that isn't always perfect - that she loves. Let her show you how to beat the odds, hit the reset button, and claim the life and love you deserve. Her approach is a little bit different, a little controversial, but it worked for her and it could work for you. Let her show you how. You can start creating a brand new life you love and deserve right now. If you don't make yourself a priority, who will?
